			or ELECTIVE	Any Elective	3.0			
<i>Total Units</i>		6-9.0	<i>Total Units</i>		13-17.0	<i>Total Units</i>		0.0

Note: This degree provides the graduate with the demonstrable skills, documented experience, a portfolio of evidence, and the personal confidence to enter a career in which the ability to create, produce, and effectively use graphic identity and communications is a critical requirement. The program is task-oriented, intended to provide “embedded skills” beneficial to most careers. If transferring into a baccalaureate program, admission and major preparation requirements vary at each transfer institution, courses used to complete this degree should be selected with the assistance of a Miramar College counselor.

¹ **General Education:** In addition to the courses listed above, students must complete one of the general education options listed in the course catalog. It is strongly recommended that students consult with a counselor to determine which general education option is most appropriate for their individual educational goals.

Blue – These courses are options and may be substituted with other major elective courses outlined in the College Catalog.
