

San Diego Miramar College understands the transition from high school to college can be an overwhelming experience for first-time students. JetStREAM programs (formerly First Year Experience) prepare students for success through:

- ◇ academic enrichment in English and/or Mathematics
- ◇ learning communities
- ◇ connection with peer mentors and campus resources

Our mission is to support new incoming students through the enrollment process to the completion of their educational goals.

## WHY SHOULD YOU DO IT?

---

- Get a headstart in your education by joining a Summer Bridge Program that prepares you for your transition into college
- Start college level entry courses in the Fall
- Receive Priority Registration for the school year
- Get personal guidance from a peer mentor and counselor

## HOW DO I APPLY?

---

If you are interested in joining JetStREAM programs, complete the following steps:

1. Apply to San Diego Miramar College
2. Take the English and Math Assessment exam at Miramar College or at a designated test session at your high school
3. Complete the JetStREAM interest form online at: [www.sdmiramar.edu/newstudents/firstyear](http://www.sdmiramar.edu/newstudents/firstyear)  
Priority Deadline: May 15, 2017  
Applications received after the priority deadline will be considered on program space availability.
