This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this degree should be selected with the assistance of a Miramar College counselor.

Note 2: Only one ARTF course from the required list may be used to satisfy SDCCD General Education requirements.

It is strongly recommended that students consult with a counselor to determine which general education option is most appropriate for their individual educational goals.
