- 5) Committee Membership Status: ENGL Ex Officio Position
 - a. Currently, all member positions on the Curriculum Committee are filled, with the exception of an optional faculty ex officio English Subject Matter Expert (see pg 54 of the College Governance Handbook, Fall 2023 revision).
 - b. Alex Stiller-Shulman has requested to be on the Committee in the English SME role.
 - c. In discussion with the Academic Senate leadership, Chair Hall determined that the English SME must be filled by someone from the English Department. He has contacted

the English faculty to see if they wanted to seat someone in this role, but has not heard back yet.

- d. Stiller-Shulman asked if there was any other type of available membership role (additional ex officio, advisor, special guest, two people in one position, etc.).
 - e. Hall explained that per the College Governance Handbook, there are no formal additional roles available. An option is to discuss the matter with the Chair of Chairs Committee, and/or to pursue a change to the committee structure via the established change process. Committee meetings are public and open, and guests are always welcome to attend.
 - f. Discussion re: Stiller-Shulman's previous membership on the committee as chair, and what happens when a new chair is selected.
 - g. Hall clarified that there are no other formal vacancies on the committee at this time, and further discussion will need to go through Academic Senate leadership and the Chair of Chairs. The Curriculum Committee does not have the authority to alter its membership structure without following the formal [CGH Change Process](#).
