# The College Wide Planning Process (in graphical form)

# Ranked College Wide Priorities 09-10

1. Fully develop, implement and link college-wide planning, program review and student learning outcome processes
2. Increase efficiency of institutional structure, course offerings, and services
3. Focus resources on promoting student success and/or while planning for future programs
4. Strengthen/expand community partnerships, marketing, and outreach
5. Maintain current levels of professional development
6. Maintain involvement in and focus on facilities planning and utilization

# How are the priorities linked to \$?

- Collected Request for Funding from all the Deans and Supervisors
- Solicited recommendation from Tech committee if the request needed “technology staff” assistance
- Ranked all the requests based on the priorities and the list of request that will be rewarded with IELM funds as soon as it is released to the campus can spend the money and get the equipment that they request in Spring. This list is on the G-drive under Budget and Resource Development.

# Next Steps....

1. Familiarize yourself with all the deadlines as it pertains to YOU!
2. If you used the ranked college wide priorities this coming year, we want to know how you use it? And what you used it for?
3. Come help us with the “planning”
