Note 1: The following suggested two-year course sequence is intended for students who plan to complete a bachelor's degree at a transfer institution in Studio Art with a focus on Painting/Drawing. This degree is designed to accommodate the differing requirements of a wide variety of transfer institutions and major options. Because admission and major preparation requirements vary at each transfer institution, courses used to complete this degree should be selected with the assistance of a Miramar College counselor.

Note 2: Only one ARTF course from the required list may be used to satisfy SDCCD General Education requirements.

Recommended Electives: ARTF 165C, ARTF 165D, ARTF 220A

General Education: In addition to the courses listed above, students must complete one of the general education options listed in the course catalog. It is strongly recommended that students consult with a counselor to determine which general education option is most appropriate for their individual educational goals.
