SUGGESTED ORDER OF BUSINESS

1. Call to Order

Subject 1.01 Call Meeting to Order, Room 235-255

Meeting Jun 15, 2023 - Regular Board Meeting

Type Procedural

1. Call to Order

Subject **1.02 Approval of Remote Trustee Attendance for "Emergency Circumstance" if Necessary**

Meeting Jun 15, 2023 - Regular Board Meeting

Type Action

Fiscal Impact No

Recommended Action BE IT RESOLVED, that the Governing Board approves the remote attendance of trustee _____ in accordance with Assembly Bill 2449.

STATEMENT OF ISSUE/PURPOSE

Background and Purpose:

The San Diego Community College District Board of Trustees is subject to the Ralph M. Brown Act (Brown Act), which is codified in Government Code section 54950 et seq. The Brown Act requires public agencies' legislative bodies to conduct their business at open and public meetings except in limited circumstances. The Brown Act was recently amended by Assembly Bill (AB) 2449, which is scheduled to sunset on January 1, 2026. Under AB 2449, trustees may participate remotely in Board meetings (using both audio and visual technology) without publicly posting their in-person address under limited circumstances.

The Board must take action to approve emergency circumstance requests, if any are received by the Board, at the beginning of each Board meeting. To ensure compliance with the notice requirements of AB 2449, the Board will maintain an AB 2449 standing agenda item for each meeting. (See item #3 on the attached document for more information.)

1. Identify Just Cause submissions, if any.

Pursuant to AB 2449, a trustee may attend the Board meeting remotely with a qualifying Just Cause. Just Cause includes a childcare or caregiving need, a contagious illness that prevents a trustee from attending in person, a need related to a qualifying physical or mental disability, and travel while on official business of the Board or another state or local agency. The Board will identify any Just Cause submissions received for the current Board meeting.

2. Consider and take action on Emergency Circumstance requests, if any.

Pursuant to AB 2449, a trustee may attend the Board meeting remotely with a qualifying Emergency Circumstance and Board approval. Emergency Circumstance means a physical or family medical emergency that prevents the trustee from attending in person. The Board will identify any Emergency Circumstance requests received for the current Board meeting, provide a general description of the circumstances, and take action to approve or deny the request.

3. Disclosure of individuals present at remote locations, if any, pursuant to AB 2449.

A trustee attending a Board meeting remotely under AB 2449 must publicly disclose whether any other individuals 18 years of age or older are present in the room at the remote location with the trustee, and the general nature of the member's relationship with any such individuals. Any trustee attending the current Board meeting remotely under AB 2449 will make this public disclosure.

4. Voting pursuant to AB 2449.

All votes taken during a teleconferenced meeting shall be by rollcall.

ISSUE OF STATEMENT/PURPOSE

Background and Purpose:

On January 19, 2016, the Chancellor's Cabinet and the District Governance Council approved a formal process for developing and revising Board Policies and Administrative Procedures. The formal process includes ongoing review and updates based upon changes in Federal and State law and district business process and a comprehensive review every six years to ensure currency.

Attached is one Board of Trustees Board Policy being proposed for revision as part of the Board's ongoing 6-year comprehensive review of all Board policies and procedures.

Category 2: New and/or revisions to policies and/or procedures in response to legal and/or regulatory requirements.

- **BP 3725 (formerly BP 3108) Information and Communications Technology Accessibility & Acceptable Use:** This policy was reviewed for currency and updated to align with current practice and legal requirements and to add additional references to Section 504 of the Rehabilitation Act of 1973, California Government Codes sections, and Federal Regulations.

The policy has been reviewed by the Chancellor's Cabinet and the District Governance Council.

After the Board approves the revised Board of Trustees policy, all related procedures that implement and/or enforce policies will be reviewed and updated.

The formal process includes ongoing review and updates based upon changes in Federal and State law and district business process and a comprehensive review every six years to ensure currency.

Four Board of Trustees Board Policies are being proposed for revision as part of the Board's ongoing 6-year comprehensive review of all Board policies and procedures.

Category 2: New and/or revisions to policies and/or procedures in response to legal and/or regulatory requirements.

- **BP 4225 (formerly BP 3910) (split) Course Repetition and Grade Alleviation:** The policy was updated to separate one policy into two policies per CCLC requirement, to remove the information contained in the corresponding Administrative Procedure, and to include the required statement that under certain circumstances, a standard grade can be repeated.
- **BP 4231 (New) Grade Changes:** The policy was created to align with CCLC requirements.
- **BP 4240 (formerly BP 3910) (split) Academic Renewal:** The policy was updated to separate one policy into two policies per CCLC requirement and remove the information in the corresponding Administrative Procedure.

Category 3: Technical and/or non-substantive revisions to policies and/or procedures, such as reference updates, title changes, or policies and procedures that are being reviewed for currency but not undergoing significant revision.

- **BP 4230 Grading and Academic Record Symbols:** This policy was updated to reflect additions to Title 5 regulations.

These policies have been reviewed by the Chancellor's Cabinet and the District Governance Council.

After the Board approves the revised Board of Trustees policy, all related procedures that implement and/or enforce policies will be reviewed and updated.

| Type | Action |
| Recommended Action | Termination of the COVID-19 related resolutions adopted on March 12, 2020, September 23, 2021, and June 9, 2022, effective immediately. |

STATEMENT OF ISSUE/PURPOSE

Background and Purpose:

On March 12, 2020, the Board of Trustees adopted a resolution to declare emergency conditions in response to the threat of COVID 19 (Attachment A). The resolution declared the COVID-19 pandemic a public health emergency and directed the Chancellor to take actions necessary to continue District operations and preserve the health and safety of the District's students and employees.

On September 23, 2021, the Board of Trustees adopted another resolution which, in part, enacted a vaccine requirement for students, employees, and visitors (Attachment B).

Throughout the 2021-2022 year, the District implemented a phased-in reopening, resuming in-person work, instruction, and student services districtwide while monitoring the risk and spread of COVID-19. On June 9, 2022, the District addressed the impact to students in learning loss and disengagement by adopting a resolution to (in part) terminate the COVID-19 Vaccination Requirement for students (Attachment C).

Since that time, the District has methodically reviewed case rates and evolving measures from the California Department of Public Health (CDPH) and the California Occupational Safety and Health Act (CalOSHA) who provide updated guidance related to COVID-19.

Effective April 3, 2023, vaccine and mask mandates were no longer required for healthcare workers, ending two of the remaining COVID-19 mandates CDPH had in place. This latest update aligns with the end of the COVID-19 State of Emergency for California which ended on February 28, 2023 and the COVID-19 national and public health emergency declarations which end on May 11, 2023.

Based on the aforementioned information, it is recommended that the Board officially rescind the resolutions of March 12, 2020, September 23, 2021, and June 9, 2022, and officially eliminate the COVID-19 vaccination requirement for employees and all others effective immediately, except where required for specific programs and services by appropriate legal authorities.

STATEMENT OF ISSUE/PURPOSE

Background and Purpose:

California Education Code, Section 72024(d) states, "A member may be paid for any meeting when absent if the board, by resolution duly adopted and included in its minutes, finds that, at the time of the meeting, he or she is performing services outside the meeting for the community college district, he or she was ill or on jury duty, or the absence was due to a hardship deemed acceptable by the board. The compensation shall be a charge against the funds of the district."

| Recommended Action | Consideration and adoption of a resolution to support the End of Oil Extraction in California as supported by the Associated Student Government bodies at San Diego City, Mesa, and Miramar Colleges. |

STATEMENT OF ISSUE/PURPOSE

Background and Purpose:

In recent years, Youth v. Oil, a local campaign dedicated to halting oil drilling, has championed a resolution urging Governor Newsome to take decisive climate action and stop issuing new oil and gas extraction permits. This resolution has gained support from prestigious institutions such as the University of California, Santa Barbara, University of California, Berkeley, University of California, Riverside, along with the San Diego City Council. Most recently, through the effort of a passionate group of students throughout the district, the Associated Student Governments of San Diego City College, San Diego Mesa College, and San Diego Miramar College have also passed the resolution, demonstrating their commitment to the cause.

The resolution (Attachment A) called the Resolution in Support of Ending Oil Extraction, emphasizes the urgent nature of climate change and comprehensively outlines the efforts made by the San Diego Community College District (SDCCD) to promote environmental sustainability. It seeks the active engagement of Governor Newsom in pursuing the following actions:

- Stop issuing new oil and gas extraction permits and initiate the gradual phasing out of existing oil wells.
- Establish safety set-back zones of 3,200 ft between oil extraction sites and our residential areas, educational institutions, and workplaces.
- Develop and implement a concrete, comprehensive, and equitable plan to bring an end to oil drilling in California.

The resolution recognizes the critical role that Governor Gavin Newsom plays in shaping policies and making decisions that have a profound impact on the environment and the well-being of Californians. By urging him to take these actions, the resolution aligns with the collective voice of concerned individuals and influential organizations seeking a sustainable and just future.

| Recommended Action | In the matter of the District's Allied Health Occupation Programs, authority is requested to enter into agreements with healthcare agencies for the use of clinical facilities by students enrolled in the District's Allied Health Occupation Programs during the 2022-2023 fiscal year. |

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

Several health occupation programs require laboratory/clinical experience that cannot be provided in a classroom. Therefore, the District contracts with outside agencies for the use of appropriate facilities in which students may satisfy these laboratory/clinical requirements.

2. Terms of Agreement:

The new agreements will go into effect upon approval and will remain in force with automatic renewal yearly thereafter, or until the new expiration date.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

Title 5 of the California Code of Regulations authorizes student travel in connection with courses of instruction related to social, educational, cultural, athletic, and band activities.

The colleges encourage student participation in various co-curricular activities related to instructional programs, including athletics, speech and debate, dramatic and performing arts, journalism, and other academic program competition. Participation in these activities often includes tournaments and competitions, both in season and approved out of season play, and other events requiring student travel. The students at the colleges also participate in student leadership activities often involving student travel. All students who travel are required to sign a student release waiver and appropriate travel documents prior to departure. In addition, all students who travel are accompanied and supervised by a District employee.

2. Cost and Funding:

The cost of travel will be paid by the college budget. There will be no additional cost to the District.

Subject **12.02 Review of 2024 Accreditation Institutional Self-Evaluation Reports for City College, Mesa College and Miramar College.**

Meeting Jun 15, 2023 - Regular Board Meeting

Type Information

STATEMENT OF ISSUE/PURPOSE

Background and Purpose:

American colleges and universities operate under a regional accreditation system through which reciprocal agreements allow for the transfer of credit and authorize the receipt of federal and state funding. San Diego City College, Mesa College, and Miramar College are accredited by the Western Association of Schools and Colleges (WASC) Accrediting Commission for Community and Junior Colleges (ACCJC). Each accredited institution is expected to undergo a periodic evaluation to assess itself in terms of the standards of the Accrediting Commission. The Accrediting Commission requires a comprehensive review and evaluation of community colleges for reaffirmation of accreditation every seven years.

City, Mesa, and Miramar Colleges underwent a comprehensive review in 2017 and their accreditation was reaffirmed.

In 2021, the colleges filed Midterm Reports providing evidence of progress for the recommendations selected for emphasis by the Commission in accordance with standard operating procedures. The Midterm Reports were reviewed and accepted by the Board of Trustees on March 12, 2021. All the colleges were found to have made progress on implementing their plans and improving outcomes related to student achievement by the commission.

The ACCJC accreditation standards align with current higher education practices, including state and federal regulations, and ensure transparency and academic quality in educational institutions. These four standards are:

- Standard I: Mission, Academic Quality and Institutional Effectiveness and Integrity
- Standard II: Student Learning Programs and Support Services
- Standard III: Resources
- Standard IV: Leadership and Governance

The colleges have completed their comprehensive institutional self-evaluations. The process involved hundreds of faculty, staff and students and culminated in Institutional Self-Evaluation Reports.

The reports have been thoroughly vetted by all constituent groups at each institution and represent the culmination of a collaborative, thorough process. In addition, the reports have been reviewed by the Board Subcommittee on Student Success and Accreditation. Copies of the Institutional Self-Evaluation Reports have been provided to the Board and will be submitted to the Commission in August.

The next component of the accreditation process for the colleges will be an on-site visit by a team of peers at each institution on February 26, 2024. The final component of the process will be a review and decision on the institution's accreditation by ACCJC and the Commission on Schools.

Recommended Action In the matter of the Mathematics, Engineering, Science Achievement (MESA) Grant awarded to San Diego City College from the California Community College Chancellor's Office (CCCCO), authority is requested to:
 1. Enter into a revised (augmented) multi year agreement with the CCCCCO through June 30, 2027, in the amount of \$1,721,177, per Grant Amendment #2;
 2. Augment the approved 2021 2022 General Fund Restricted Budget from \$223,077 to \$321,177; augment the approved 2022 2023 General Fund Restricted Budget from \$141,289 to \$280,000, and transfer the augmented budgets to the 2023-2024 General Fund Restricted Budget; and
 3. Accept, budget and spend \$280,000 in the General Fund Restricted Budgets for 2023-2024, 2024-2025, 2025-2026, and 2026-2027.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

Established since the fall of 2000 and serving low income, disadvantage students majoring in math, engineering and science, the MESA Program will continue to significantly increase the number of students who will persist, transfer and graduate from four-year universities.

2. Terms of Agreement:

The term of this agreement will become effective upon Board approval and will continue through June 30, 2027.

3. Cost and Funding:

Funding in the amount of \$1,721,177 will be provided by CCCCCO. The Governing Board has the authority to increase its budget as a result of unanticipated income from Federal, State and Local sources. Funds will be distributed to the following major objects of expenditure:

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

The overall plan of SDSU's HSI STEM Pathways and Articulation project is to implement a mentored, undergraduate research-centered pathway for STEM majors from San Diego City College through SDSU and on to STEM careers.

Program objectives include the following:

- Increase the number of Latinx and low-income students transferring and attaining degrees in STEM;
- Promote high retention, timely graduation, and successful pathways to the workforce for SDCC students;
- Remove roadblocks for transfer by providing guaranteed admission to SDSU's undergraduate STEM programs;
- Facilitate entry into the STEM employment pipeline for our SDCC students;
- Implement Research Experience for Undergraduates (REUs) and academic enrichment experiences

2. Terms of Agreement:

The agreement will become effective upon Board approval and will continue through June 30, 2023.

3. Cost and Funding:

Funding in the amount of \$47,249 will be provided by the U.S. Department of Education and its main grant awardee San Diego State University. Funds will be distributed to the following major objects of expenditure:

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

The purpose of this proposed Regional Strong Workforce project is to improve marketing, recruitment efforts, and enrollment for career education programs. The purpose of this project is to establish work-based learning functions at each college that will provide all students with a continuum of critical experiences and support to deepen classroom learning and facilitate employment. Work-based learning is the function that facilitates classroom learning in both academic and technical subjects, as well as supports the development of transferable 21st-century employability skills. It also provides direct exposure to workplaces, which facilitates career exploration and visibility with employers resulting in employment opportunities. This project will fund release time for two faculty members to work with our instructional and student services programs to design, implement, and coordinate work-based learning activities, strategies, and processes in and out of the classroom.

2. Terms of Agreement:

The agreement is effective upon Board approval and will continue through June 30, 2024.

3. Cost and Funding:

Funding in the amount of \$75,000 will be provided by the Foundation for Grossmont-Cuyamaca Community Colleges. The Governing Board has the authority to increase its budget as a result of unanticipated income from federal, state, or local sources. Funds will be distributed to the following major objects of expenditures:

2022–2023 General Fund/Restricted Budget

| Object Code/Account | Proposed Budget |
|----------------------------|------------------------|
| 1000 Certificated Salaries | \$65,000 |
| 2000 Classified Salaries | \$0 |

| | |
|-------------------------------|-----------------|
| 3000 Employee Benefits | \$6,500 |
| 4000 Supplies and Materials | \$1,500 |
| 5000 Other Operating Expenses | \$2,000 |
| 6000 Equipment | \$0 |
| 7000 Indirect Costs | \$0 |
| Total | \$75,000 |

The District's approved indirect cost rate is 30% of salaries for on-campus and 19% of salaries for off-campus projects. Under the terms of the Master Agreement, no indirect costs may be charged against the grant; however, the project will incur indirect costs. Therefore, these costs will be absorbed by the District.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

Assembly Bill 183 appropriates on-going funding for the California Community Colleges (CCC) to provide culturally responsive services to enhance student educational experiences and promote higher education success of low-income, underserved, and first generation Asian American Native Hawaiian Pacific Islander (AANHPI) students and other underrepresented students under Education Code 79510-79511.

The objectives of the AANHPI SAP include the following:

- Culturally responsive learning communities
- Advising and counseling services
- Mental health counseling and awareness services
- Career development, career readiness, and employment services
- Supplemental instruction and tutoring
- Asian American, Pacific Islander studies courses and curriculum development
- Leadership development, internships, and mentorships

San Diego City College will utilize the AANHPI SAP funds to address multiple aspects of these objectives with the goal of supporting student success among AANHPI students.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

The purpose of this proposed Regional Strong Workforce project is to improve marketing and recruitment efforts for our career education programs and improve enrollment across our various career education programs. Funding for this project will support activities to increase recruitment efforts, including activities customized for our disproportionately impacted (DI) students and adult learners. Successful implementation of the project will lead to meeting the following objectives:

- Increased enrollment of career education students at San Diego Mesa College.
- Increased enrollment of adult learners into Career Education programs at San Diego Mesa College.

2. Terms of Agreement:

The term of this agreement is July 1, 2023 – June 30, 2024.

3. Cost and Funding:

Funding in the amount of \$75,000 will be provided by the Grossmont-Cuyamaca Community College District Auxiliary Organization. STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

The purpose of this proposed Regional Strong Workforce project is to provide support to Mesa College to implement the Strong Workforce Counselor Institute. The Counselor Institute is a SWP-funded professional learning opportunity for counseling faculty employed at the San Diego and Imperial Counties Community Colleges.

The goals of the Counselor Institute are to:

- Foster understanding and awareness of Career Technical Education/Career Education (CTE/CE)
- Learn how to use labor market information (LMI) and career exploration in advising students.
- Use inquiry, evidence-based decision-making, and continuous improvement to examine services provided to students.
- Support counseling faculty in building relationships and collaborating with CTE/CE instructional faculty and institutional researchers.
- Inspire counseling from a culturally inclusive perspective.

2. Terms of Agreement:

The term of this agreement is July 1, 2023 – June 30, 2024.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

Serving the Native American student population is core to the California Community Colleges' mission. Assembly Bill 183 Article 11 allocates one-time, funding to the California Community College Chancellor's Office (CCCCO) to establish a Native American Student Support and Success Program (NASSSP) for the purpose of developing local Native American student support and success programs and services.

The CCCCCO identified San Diego Miramar College as one of twenty colleges within the State that were selected to receive NASSSP funding based on a set of selection criteria, which include 1) the number of American Indian/Alaska Native (AIAN) population by district service area, 2) The average number of local CCC student head count who are AIAN over the past six academic years, 3) Course success rates, in the past four academic years, 4) All cohort students who persisted from primary term of enrollment to subsequent primary term 5) All cohort students attained the Vision Goal completion definition within three years, and 6) all cohort students who transferred to a four-year postsecondary institution with four years.

The Native American Student Support and Success Program will assist with establishing the following:

- Strengthening K-12 pathways to and through the California Community Colleges for Native American Students, including student transfer to the University of California and the California State University systems.
- Ensuring the educational success of Native American students
- Developing Native American leaders
- Increasing the number of Native American mentors to empower future generations.

2. Terms of Agreement:

The terms of this agreement upon Board approval is effective June 16, 2023, and continues through June 30, 2028.

3. Cost and Funding:

The CCCCCO will allocate funding in two phases. Phase 1 funding in the amount of \$600,000.00 will be provided in June 2023. Funding allocations for Phase 2 will be determined prior to July 2025.

Funds will be distributed to the following major objects of expenditures:

Accept, budget and spend \$125,000 in 2023-2024 until the end of the contract in the General Fund/Restricted Budget to fund activities related to the Faculty Institute Research Investment project. |

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

The purpose of this project is to support colleges in their research efforts related to student retention, persistence, and completion. The outcome of the Faculty Institute Research Investment project is to identify classroom-level interventions that will have a positive impact on these student outcomes, particularly for students from traditionally underserved populations.

2. Terms of Agreement:

The term of this agreement is June 30, 2023 – September 30, 2023.

3. Cost and Funding:

Funding in the amount of \$75,000 will be provided by the Foundation for Grossmont and Cuyamaca Colleges. The Governing Board has the authority to increase its budget as a result of unanticipated income from federal, state or local sources. Funds will be distributed to the following major objects of expenditure:

2023-2024 General Fund/Restricted Budget

| Object Code/Account | Proposed Budget |
|-------------------------------|------------------|
| 1000 Certificated Salaries | \$87,000 |
| 2000 Classified Salaries | \$15,000 |
| 3000 Employee Benefits | \$11,000 |
| 4000 Supplies and Materials | \$2,000 |
| 5000 Other Operating Expenses | \$10,000 |
| 6000 Equipment | \$0 |
| 7000 Indirect Costs | \$0 |
| Total | \$125,000 |

The District's approved indirect cost rate is 30% of salaries for on-campus and 19% of salaries for off-campus projects. Under the terms of the Master Agreement, no indirect costs may be charged against the grant; however, the project will incur indirect costs. Therefore, these costs will be absorbed by the District.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

The purpose of this project is to develop and implement a comprehensive digital and Out Of Home (OOH) marketing plan. The plan will outline strategies to promote SDCCE career education programs that lead to good-paying and high-demand career education programs.

SDCCE will also create and implement digital marketing pieces, including videos (e.g., testimonials and tutorials) designed to recruit disproportionately impacted and non-traditional student populations for its career education programs.

2. Terms of Agreement:

The term of this agreement is July 1, 2023 – June 30, 2024.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

The purpose of this project is to hire two part-time Research Assistants (level III) to provide direct research support for the project under the direction of the Research and Planning Analyst. However, due to the complex and time-consuming nature of the training and onboarding process for Research Assistant positions, in the short term, there may be limitations on their ability to perform some of the specialized work required to support the Counseling Institute (such as dashboard development and data reporting). In such cases, the Research and Planning Analyst and the Research Associate will backfill some of these activities until the assistants are fully trained. In addition to hiring Research Assistants, some of the funding will also go towards meetings, supplies, expenses, and food for participants.

2. Terms of Agreement:

The term of this agreement is July 1, 2023 – June 30, 2024.

3. Cost and Funding:

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

Each year the District contracts with the California Department of Education (CDE) to operate Child Development Centers at San Diego City, Mesa, and Miramar Colleges. The centers are operated per state guidelines, using various funding sources, including federal (Child and Adult Care Food Program – CACFP), state contracts, family fees, and District efforts.

The California Department of Education (CDE) contract will fund one district program at the Child Development Centers: The California State Preschool Program (CSPP-3463) will fund services for children between the ages of 3-5 years.

2. Terms of Agreement:

The agreement will begin on July 1, 2023, and continue upon approval through June 30, 2024.

3. Cost and Funding:

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

The Chancellor's Office released Zero Textbook Cost (ZTC) grant funding to 115 colleges to begin planning the development of a ZTC program. In Phase 1, each college received an initial grant of \$20,000 through district apportionment to begin planning the development of a ZTC program. Phase 2 will be titled ZTC Acceleration Grants which are competitive and intended to support the acceleration in development and implementation of ZTC degree programs by those colleges and/or districts that are ready. Colleges and/or districts will apply by responding to the Chancellor's Office Request for Applications (RFA) for an additional award of up to \$200,000 for each degree development and implemented.

Phase 3 "ZTC Implementation Grants" are the follow-up to the "ZTC Planning Grants" in Phase 1. Phase 3 funding is to support all colleges with the development and implementation of the planned ZTC degree programs. All 115 colleges received an additional \$180,000 through district apportionment to design, develop and pilot a ZTC degree offering. Using the NOVA platform, colleges will need to submit a workplan by October 2023, and complete implementation and reporting by December 2024. Phase 3 funding must be spent by June 30, 2026.

2. Terms of Agreement:

The agreement is effective upon Board approval and continues through June 30, 2026.

3. Cost and Funding:

The table below reflects **Phase 3** funds distribution to San Diego Community College District Colleges:

Total: \$540,000

| City | Mesa | Miramar | Total |
|-----------|-----------|-----------|------------------|
| \$180,000 | \$180,000 | \$180,000 | \$540,000 |

The District's approved indirect cost rate is 30% of salaries for on-campus and 19% of salaries for off-campus projects. Under the terms of this agreement, no direct costs may be charged against the grant; however, the project will incur indirect costs. Therefore, the cost will be absorbed by the District.

Accept, budget and spend \$290,079 CARB Grant Funding in the 2023-24 General Fund/Restricted Budget. |

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

This Grant Award provides funding for activities that assist the Grantee in their participation in the implementation of Assembly Bill 617 (AB 617) (C. Garcia, Chapter 136, Statutes of 2017).

AB 617 seeks to ensure that all Californians benefit equitably from our State's air quality and climate efforts, especially those who live in the areas of California most severely impacted by air pollution.

Included in AB 617 is a provision for grants to community-based organizations for technical assistance and to support their efforts in this process. CARB has been charged with administering these grants.

In order to meet the intent of the Legislature, and in order to continue to build the capacity of California communities to participate in developing and implementing AB 617 programs, CARB created the Community Air Grants Program (Air Grants Program). The Air Grants Program aim is to provide support for community-based organizations to participate in the AB 617 process, and to build capacity to become active partners with government to identify, evaluate, and ultimately reduce air pollution and exposure to harmful emissions in their communities.

Examples of what Community Air Grants are being used to fund includes, but is not limited to:

- Community engagement and outreach related to AB 617
- Hiring consultants and/or technical experts
- Travel and logistical support for hosting and/or attending meetings related to AB 617 (i.e., room rental, meeting facilitation, transportation)
- Support for community operated air monitoring
- Data collection and analysis, including community based participatory research projects

2. Terms of Agreement:

The agreement will become effective upon Board approval and will continue through March 30, 2025. A draft Final Report must be received by CARB no later than 30 days after project completion or March 15, 2025, whichever is earlier. A Final Report must be received by CARB within 90 days after project completion or March 30, 2025, whichever is earlier.

3. Cost and Funding:

Funding in the amount of \$290,079 will be provided by the California Air Resources Board (CARB) to grant awardee San Diego City College Foundation. Funds will be distributed to the following major objects of expenditure:

2023-2024 General Fund/Restricted

| Object Code/Accounts | Current Budget |
|-------------------------------|----------------|
| 1000 Certificated Salaries | \$137,741 |
| 2000 Classified Salaries | \$0 |
| 4000 Supplies/Materials | \$5,615 |
| 5000 Other Operating Expenses | \$135,255 |
| 7000 Indirect Costs | \$11,468 |

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

RFB #23-08 was issued for a requirements contract for the purchase of reprographic bond paper, specialty paper products, and large format rolls for District-wide use. An evaluation committee was established with representation from each campus as well as Purchasing and Contract Services, and a review of the annual usage report was used to develop product specifications.

2. Summary:

RFB #23-08, Reprographic and Specialty Paper, District-wide was advertised to the public via The Daily Journal newspaper and nine (9) suppliers were invited to participate, via e-mail from Purchasing and Contract Services. Three (3) suppliers responded to the solicitation. Each bid submitted was evaluated based on price and necessary required documents. After review, it was determined that Complete Office was lowest, most responsible bidder for Section "A" of the bid and Kelly Spicers Stores was the lowest, most responsive for sections "B" and "C" of the bid.

3. Cost and Funding:

Per bid language, each supplier was asked to provide the District with their best and final pricing. It was determined that a six-month agreement with Complete Office and Kelly Spicers Stores, would provide the District the greatest savings compared to the current market climate. Individual District purchase orders will be issued accordingly.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

RFP #23-06 was issued for District and College Branding Services. The bid specifications were developed by a committee comprised of subject matter experts within the Communications department at the District Office, Mesa College, City College, Miramar College, the seven campuses of San Diego College of Continuing Education, and Purchasing and Contract Services.

2. Summary:

RFP #23-06 for District and College Branding Services, was advertised to the public via the San Diego Daily Journal newspaper and thirteen (13) suppliers were invited to participate via e-mail from Purchasing and Contract Services. Eighteen (18) suppliers responded to the solicitation, five (5) suppliers were invited for presentations, and one (1) supplier was selected for award.

3. Cost and Funding:

Per RFP language, suppliers were asked to provide the District with their best and final pricing. It was determined that a one (1) year contract with Selbert Perkins Design would provide the District the greatest overall value.

| Recommended Action | Authority is requested to award RFP #23-09 for District Website Redesign Services to 25th Hour Communications, as the low, responsive, and responsible bidder and authorize the Manager, Business Services, to execute the necessary contract documents. |

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

RFP #23-09 was issued for District Website Redesign Services. The bid specifications were developed by a committee comprised of subject matter experts within the Communications department at the District Office, Educational Services, Information Technology, College Police, and Purchasing and Contract Services.

2. Summary:

RFP #23-09 for District Website Redesign Services, was advertised to the public via the San Diego Daily Journal newspaper and eighteen (18) suppliers were invited to participate via e-mail from Purchasing and Contract Services. Nine (9) suppliers responded to the solicitation, and four (4) suppliers were invited for presentations, and one (1) supplier was selected for award. The submitted proposals were evaluated based on overall responsiveness, interest and approach, personnel and staffing resources, related experience and methodology, cost and rate proposal, IT accessibility standards and compliance, presentation, and complete required documents.

3. Cost and Funding:

Per RFP language, suppliers were asked to provide the District with their best and final pricing. It was determined that a one (1) year contract with 25th Hour Communications would provide the District with the greatest value overall.

| Subject | 13.24 Authority is requested to enter into a Professional Services Agreement with CWDL, Certified Public Accountants to perform all District internal auditing services for a one-year period beginning with fiscal year 2023-24, and; authorize the Executive Business Officer to execute the necessary documents. |
| Meeting | Jun 15, 2023 - Regular Board Meeting |
| Type | Action (Consent) |

| Recommended Action | Authority is requested to enter into a Professional Services Agreement with CWDL, Certified Public Accountants to perform all District internal auditing services for a one-year period beginning with fiscal year 2023-24, and; authorize the Executive Business Officer to execute the necessary documents. |

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

The Internal Auditor position (#008305), a Management Unit position, is currently vacant. Outsourcing this position would produce a significant cost-avoidance and would ensure a truly independent process. The auditing firm will be required to provide reports to management and will include the possibility of direct reporting to the Board of Trustees.

The District's Budget Planning and Development Council has recommended that we move forward with a 1-year contract with an option of extension to preserve maximum flexibility to the District. The limited term is due to no formal RFP being issued. SDCCD will be issuing an RFP in the 2023.24 fiscal year.

Additionally, this would provide the District the flexibility to decide to move the work in-house if the vendor agreement proves unsatisfactory.

2. Summary:

Government Code Section 53060 authorizes the District to contract with persons to furnish services and advice to District in financial, economic, accounting, engineering, legal, or administrative matters if such persons are specially trained and experienced and competent to perform the special services required; however, Internal Auditing Services for San Diego Community College District was solicited via e-mail to seven (7) local firms that have internal auditing experience within the California Community College System and were invited to participate via e-mail from the Purchasing and Contract Services. One supplier responded to the solicitation. The proposal submitted was evaluated based on price and necessary required documents.

The engagement would begin with an assessment of risk factors followed by discussions with the District to identify areas of focus. Some common functional areas of evaluation are:

- Financial Close and Reporting: Reconciliations, financial statements, segregation of duties, budgeting, estimates and judgments, annual close process, accounts payable, accounts receivable, fixed assets, cash, EFTs (i.e. wires, ACH), positive pay.,
- Institutional Advancement: Grant administration, grant tracking and monitoring, SEFA reporting, accounting, budgeting, reporting, foundation, donor concentrations, foundation investment strategy.
- Operations & Auxiliary Services: Bookstore, libraries, food services, copy center, mail services. Ticket revenue, concessions revenue, fund raising, athletic scholarships, league compliance.
- Student Financial Processing: Student financial aid, tuition, enrollment fees, scholarships, funding, student loan processing.

3. Cost and Funding:

Appropriate funding has been budgeted through the District's operating budget to engage the necessary services.

The cost for the year of service will be in an amount to not exceed \$65,000.00.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

MGI Advocacy, Inc. provides professional services to the District to assist the District in developing legislation that becomes statute. Government Code Section 50360 authorizes the District to contract with persons to furnish services and advice to the District in financial, economic, accounting, engineering, legal, or administrative matters if such persons are specifically trained and experienced and competent to perform the special services required.

MGI Advocacy, Inc. is a California state lobbying and government relations firm that has expertise in California politics, education policy and finance, legislative strategy, public affairs, and procurement. MGI Advocacy, Inc. assists clients in taking their concepts and developing legislation that becomes statute. Over his sixteen years of government relations experience, MGI Advocacy President, Mark MacDonald has helped a multitude of clients get their desired needs in California government.

MGI Advocacy is relentless in their pursuit of our clients' strategic goals and has the relationships and necessary policy experience to successfully navigate California's complicated government and government agencies. They have helped numerous higher education, labor, professional associations, nonprofit, and private sector clients successfully reach their desired outcomes before the various branches and agencies of California's government.

MGI Advocacy has partnered with the District to provide this support.

2. Cost and Funding:

Annual contract cost will be \$84,000.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

Assembly Bill 129, the Budget Act of 2021, included more than \$1 billion for CCC categorical program funding, which is intended to provide support services to students to improve educational outcomes, reduce equity, achievement and regional gaps, to address basic needs such as food and housing insecurity, and to help increase college affordability. Categorical funding as Dreamer Resource Liaison is intended to assign at least one staff person to intentionally create sustainable wraparound equity-minded efforts to address their unique needs to ultimately improve student retention, completion, and overall success. In addition, the position will support other efforts from the Intercultural Centers in relation to the students' multiple identities and roles to support the whole person.

2. Cost and Funding:

The cost associated with establishing the position will be funded by the Senate Bill 129, which is providing an amount of \$\$234,733 awarded to San Diego City College from the State Budget Categorical Program Allocation Dreamer Resource Liaison. Should this funding no longer be available, the salary and benefits for this position will end.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

San Diego City College recognizes that the Latinx and Black student populations continues to be disproportionately impacted (DI) and are among a few groups identified in the institutions' Equity Plan. Providing intrusive counseling and student support programs, activities, events, and services with an intentional focus on Black student populations is of high priority to help increase key performance indicators related to college access, course success, retention, sense of belonging, and program completion.

2. Terms of Agreement:

The monthly cost of salary and benefits to fund this position is \$12,872. This cost incurred will be covered by City College Student Equity budget (GFR), 1546_13150_631000_1205. Should this funding no longer be available, the salaries and benefits for these positions will end.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

The EOPS Counselor Contract vacancy is currently a 10-month position. The request to convert it to an 11-month Counselor Contract position is to help address student and departmental needs. Under the direction of the Dean of Student Development & Matriculation, the Counselor provides information, services, and resources to assist students in meeting their personal, educational, and career objectives; including the selection of evaluation instruments, orientation to academic programs and services; degree, certificate, and transfer advising; community articulation; research; liaison with instructional departments; and instruction in adaptive skills.

2. Terms of Agreement:

The cost of salary and benefits for increasing the 10-month Counseling position will be \$13,535.30, equaling one month's salary and benefits; the increase cost will be covered by the City College GFU budget number funded by position #002608, 1110_13150_631000_1205.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

The Student Health Center Nurse Contract vacancy is currently a 10-month position. The request to convert it to an 11-month Nurse Contract position is to help address student, departmental and campus needs. The Student Health Center-SHC (both Mental Health and Medical/Nursing care) provides services to students across all 12 months of the year. Student needs, and the SHC care model, are not aligned with the 10-month model utilized for instructional faculty members. A 10-month position is insufficient in addressing the continuity of care and safe and efficient transmission of critical information to the Part Time faculty who staff the SH Clinic and to support the public health of the campus community. The Student Health Clinic currently does not have (and has never had) a Contract-Nurse or other clinical position. The lack of a full-time clinician significantly impacts safe, professional, and ethical clinical practice as it relates to continuity of care. Continuity is assured with the establishment 11-month Contract Nurse position. Under the direction of the Vice President of Student Services and the Chair of the Student Health Center, the RN performs work related to student health and wellness, including nursing evaluation, diagnosis and treatment, patient teaching, health counseling, health education, and maintenance of students' confidential electronic personal health records. The RN also assists with and coordinates the delivery of health education services and daily center operations. The RN's key role is in assisting students with clinical care services, mental health linkages, communicable disease control, illness assessment and referrals, first aid treatment, self-care programs, and health education resources.

2. Terms of Agreement:

The cost of salary and benefits for increasing the 10-month Instructor position will be \$13,535.30, equaling one month's salary and benefits; the increase cost will be covered by the City College GFU budget number funded by position #008214, 1110-13015-644000-1205.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

As part of the College's effort to assure student success and equity consistent with legislative mandates, the College requests an increase in FTE for an existing .4 Instructional Assistant/Learning Resources position to a 1.0 FTE full time position. This position will support the complex and ongoing instructional needs of the College's extensive student success and equity endeavors within the School of Information & Learning Technology at San Diego City College, using independent judgment to perform research, special studies, and analysis of a paraprofessional and technical nature; making decisions and resolve the needs of the assigned area, applying and interpreting laws, rules, and District policies and regulations; and performing a variety of difficult and specialized clerical and administrative duties.

2. Terms of Agreement:

In 2023-2024, the cost of salary and benefits for the increase from .4 FTE to 1.0 FTE is \$40,976.16, which will be funded from the budget provided below:

1110-14840-612000-2101

There are no anticipated additional costs to the district. Any additional costs will be borne by San Diego City College.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

As part of the College's effort to assure student success and equity consistent with legislative mandates, the College requests the creation of a 1.0 FTE Senior Accounting Technician. This position will support the Strong Workforce Program with complex and ongoing administration of the College's extensive procurement process in a lead capacity, using independent judgment to perform research and analysis of a paraprofessional and technical nature; making decisions and resolve the needs of the campus, applying and interpreting laws, rules, and District policies and regulations; and performing a variety of difficult and specialized administrative duties.

The position will directly support the Business Services Department in collaboration with the Strong Workforce Program leads at San Diego City College.

2. Cost and Funding:

\$52,996.56 in salary and \$28,687.36 in benefits and mandated costs.

The cost of salary and benefits for the new position will be funded by restricted Strong Workforce Program funds continuously as funding is available. Should this funding no longer be available, other available College funding will be used to fund the salary and benefits of this position.

Implement the restructure according to the attached organizational charts (GFU). |

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

Operation of the Emergency Medical Technician Program at Miramar College requires ongoing instructional assistance to faculty, NANCE staff, and lab students. As a lab school, the Emergency Management Program has increased the number of lab students over the past ten years. Duties and services impacted by this growth include implementation of daily programs and routines, planning of curriculum, supervision of students, and lab student mentorship.

The 1.0 FTE Instructional Lab Technician/EMT will improve operations throughout the program and allow management to redistribute additional workload created by the additional number of lab students. The Instructional Laboratory Technician will also ensure all faculty and contract classified employees supporting this program can participate equitably in staff meetings, College Hour events, and professional development opportunities, while maintaining accreditation standards for the program.

2. Cost and Funding:

The annual cost of salary and benefits for the 1.0 FTE Instructional Laboratory/EMT position is \$100,371. All costs will be funded with the general fund unrestricted budget. The GL string is 1110-34331-125000-2201.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

The San Diego College of Continuing Education has identified a need to support our community and meet the targets of the college and the district. By increasing the weekly hours for two contract Instructional Assistants, from 20 to 25 weekly hours, SDCCE will be better able to serve the growing number of on-campus ESL classes at the SDCCE Miramar Campus as well as continue to support the large online ESL program. The job of the ESL Instructional Assistants has become more complex and challenging as they now support on-campus as well as online classes, assessment, placement, and registration. The limited staffing at SDCC Miramar has also contributed to the need for the increase in hours. With the additional hours, the ESL Program will be able expand offerings at the SDCCE Miramar campus and move students off wait-lists.

2. Cost and Funding:

The cost of the salary to increase the hours of the positions (#008032 & #008282) Instructional Assistant/English as a Second Language (ESL) Contract salary range 16 (\$3,398.51 \$5,424.79) AFT – Classified Professionals Unit from 20 hours per week to 25 hours per week will be \$18,965.74 in salaries and mandated costs and will be covered by funding in the restricted budget source 1214_44500_493084_2201. Should this funding no longer be available, the College of Continuing Education will identify different funding to cover the costs of the salaries and benefits for these positions.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose

The CalWORKs program at San Diego Continuing Education is dedicated to supporting students in achieving self-sufficiency through education and career training opportunities. The program specifically caters to students who receive cash aid. The services we offer include comprehensive case management, academic and career counseling, paid work-study and career services, as well as assistance with reimbursement requests for various education and work-study costs such as course supplies, mileage, textbooks, uniforms, transportation, and testing fees. Eligible students can access CalWORKs services at SDCCE's campuses or offsite locations.

Our department currently relies on a student services assistant who assists students with daily inquiries and appointments, handles paperwork, and maintains copies of relevant documents in multiple languages for orientations. They also manage orientation schedules, update attendance lists, send completion emails, assign new students, monitor caseloads, and ensure accurate data entry.

To enhance our support services, we propose a staffing change from a student services assistant to a student services technician. This transition will significantly benefit our department's ability to provide comprehensive wrap-around services to our CalWORKs students. The student services technician will continue to perform the existing tasks, focusing on improving efficiency and effectiveness in various areas.

The student services technician will be responsible for updating and maintaining SARS (Student Appointment and Records System) daily, ensuring accurate scheduling of appointments for instructional and adjunct counselors as needed.

In addition, the student services technician will also play a crucial role in maintaining data accuracy. They will check CalWORKs student statuses in Calwin daily to assist with counselor assignments and orientation sign-up. Furthermore, they will review PEOPLESOFT for all students' enrollment and prepare a Management Information System (MIS) entry checklist, ensuring accurate reporting by comparing reports with counselor's students on their caseloads. The technician will also delete multiple student entries in PS (PeopleSoft) to ensure MIS accuracy.

This staffing change will allow us to provide more focused and efficient support to our CalWORKs students. By having a dedicated student services technician, we can improve the level of service offered during orientations, streamline appointment scheduling, enhance data accuracy, and facilitate a smoother overall experience for our students.

2. Cost and Funding:

The increase in the cost of the salary and benefits of deleting the Student Services Assistant position and establishing a Student Services Technician position (#), Range 23, (\$4,104.63-\$6,551.93) in the in the AFT Classified Professionals Unit will be \$10,750.26 annually. The costs will be covered by upgrading the vacant 1.0 FTE Student Services Assistant position #00120126 Range 16 (\$3,398.51- \$5,424.79) and by funding in the restricted budget source 1686_43080_649000_2101. Should this funding no longer be available, the College of Continuing Education will identify alternative funding to cover the cost of the salary and benefits for this position.

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

As part of an ongoing evaluation of the effective, efficient, and equitable delivery of services in the Information Technology Services department, the option to implement a virtual information security officer (VCISO) to manage the district's comprehensive network, use, and information security protocols has been identified to improve the quality of security while reducing costs. In June, the District implemented a new help desk software application to facilitate more efficient management of requests for service, data collection on trends in service requests, and proactive management of ITS service delivery. The operational changes have led to the need to reallocate the existing IT security management functions to management of help desk operations.

2. Cost and Funding:

This position will be funded by 1110_74400_678010_2101. This will be a cost neutral change as the new position is at the same salary range as the current position proposed to be deleted.

| Recommended Action | In the matter regarding contract positions districtwide, as a result of the 2023 Window-Period and recent classification and organizational reviews, authority is requested to reallocate or reclassify positions or remove classifications, effective July 1, 2023. |

STATEMENT OF ISSUE/PURPOSE:

1. Background and Purpose:

As a result of the 2023 Window-Period and recent classification and organizational reviews, recommendations were made regarding: reclassifications (consistently performing duties outside of their current classification), and/or range reallocations (increases of the responsibilities and accountabilities over the past years).

It is recommended the positions are changed in classification or range as shown in the attachment.

Change the classification or range:

| Subject | 14.17 Consideration and approval of the application for participation in the CalSTRS Reduced Workload/Early Retirement Program. |
| Meeting | Jun 15, 2023 - Regular Board Meeting |
| Type | Action (Consent) |
| Preferred Date | Jun 15, 2023 |
| Recommended Action | Consideration and approval of the application for participation in the CalSTRS Reduced Workload/Early Retirement Program. |

STATEMENT OF ISSUE/PURPOSE

Background and Purpose:

Article XVII, Section 17.1 in the current agreement with the American Federation of Teachers provides that on approval of the Board of Trustees, faculty members shall be granted the option of 50 percent reduced load/early retirement.

STRS requires that copies of Board minutes approving the participation of eligible applicants in the Reduced Workload Program be filed with them in advance of the effective date. The District's contribution rate for STRS for 2022-2023 is 19.1 percent. The Reduced Workload Program contribution rate for 2022-2023 is 19.1 percent. However, STRS and statutory benefits are subject to change.

The following individuals meet the basic eligibility requirements for participation in this program beginning July 1 of the 2023-2024 academic year and seek approval of the Board.

Miramar College - Roger Olson

Cost and Funding:

The projected savings to the District for allowing Roger Olson's participation in the program for five years is projected to be \$138,184.49.

Given that benefit rates may be subject to change, the actual savings as compared to the projected savings over the five-year period are also subject to change.

| Dave Clark | First Six Months of the Fiscal Year (100%) |
| Maryann Guevarra | Second Six Months of the Fiscal Year (100%) |
| Denise Maduli-Williams | Fall Semester Only (100%) |
| Angela L. Romero | Spring Semester Only (100%) |

San Diego College of Continuing Education

| Faculty | Leave Option & Compensation |
|--------------|-----------------------------|
| Marne Foster | Fall Semester Only (100%) |

| | |
|------------------|-----------------------------|
| Iris W. Lowe | Spring Semester Only (100%) |
| Stephanie Thomas | Fall Semester Only (100%) |

2. Terms of Agreement:

The Collective Bargaining Agreement between the AFT Guild, Local 1931, and the San Diego Community College District contains provisions and specifications affecting college and continuing education faculty on an annual basis. While salary and benefits costs are provided during these sabbatical leaves, replacement costs are separate. The average adjunct replacement cost per faculty member on sabbatical is \$49,386 annually.

| Recommended Action | Ratification of reformatted Police Officers Association, Management, Executive Management, and Classified salary schedules for calendar year 2023 in accordance with CalPERS guidelines. |

STATEMENT OF ISSUE/PURPOSE

1. Background and Purpose:

In June 2021 the CalPERS Office of Audit Services began a review of 60 public schools to assess compliance with pay schedule and pay rate regulations (Government Code section 20636.1(b)(1) and (d) and California Code of Regulations section 570.5). The regulations require school employers to present salary schedules for positions covered by CalPERS listing the time basis for the salary rate listed on the schedule and position titles included in the salary ranges listed on the schedule. The attached salary schedules for 2023 have been created to comply with the regulations and resolve the audit findings for the following positions: Executive Management; Management; Police Officers' Association; and Classified. The reformatted schedules do not change the prior or current pay rate of any position or employee; they only present the salary schedules in a different format which meets the regulatory requirements.

2. Cost and Funding:

There are no costs associated with this item.

STATEMENT OF ISSUE/PURPOSE

Background and Purpose:

On January 19, 2023, the Board approved a request to enter into an Energy Services Agreement with Western Mower to purchase zero-emission equipment (Item 15.08). Due to supply chain issues and delays, the original quote of \$221,324.31 has expired, and the purchase price has increased by \$16,102.82 to a new total of \$237,427.13

The continuing post-pandemic supply chain issues have caused unforeseeable and uncontrollable price increases, including zero-emissions equipment. Because District Facilities Services staff unanimously identified Toro mowers as the preferred brand of ZEE mowers and Western Mower is the region's primary commercial Toro dealer, it would not be in the district's interest to shift to an alternate supplier. Authority is requested to increase the original energy services agreement by \$16,102.82 to move forward with the completion of the purchase and begin to take delivery.

A copy of the revised quote is provided as [ATTACHMENT A](#).

STATEMENT OF ISSUE/PURPOSE

Background and Purpose:

On November 4, 2021, the board granted authority to enter into a contract with J.E. Moore to provide consultant services related to Propositions S and N through June 30, 2023 (Item 15.02). This is a not-to-exceed contract in the amount of \$1,375,437, which was based on estimates of anticipated hours for each member of the consultant team.

Based on a recent review of this contract, it is determined that:

1. The total not-to-exceed contract amount previously authorized to be spent by June 30, 2023, will not have been spent by that date, and
2. The District will benefit from extending this contract beyond the full fiscal year transition process (FY23 to FY24) because Proposition S and N projects will continue into FY24 but expected to be completed within calendar year 2023, and
3. The remaining funds within the allotted authorization is expected to cover the currently estimated need through December 31, 2023. There will be no additional amounts charged beyond the original contract value.

The ordering of priority for projects to be included in the plan; and 3. Authority to proceed with the preparation of and submittal to the CCCCCO: District 2025-2029 Five-Year Capital Construction Plan and any related documents per requirements issued by the CCCCCO. |

STATEMENT OF ISSUE/PURPOSE

Background and Purpose:

The requirement that there be a District Five-Year Capital Construction Plan is contained in the Community College Construction Act. Details concerning the content and preparation of the plan are found in the Education Code, Section 81800, et. seq. The CCCCCO has requested that the District prepare and submit a capital construction plan on an annual basis. The Plan states the expected major construction goals of the District for the next proposed year of funding. The above notwithstanding, the scarcity of funding has obligated the State Chancellor's Office to restrict new proposals and to continue to revise the capital outlay proposal process.

Updated information may be required for projects previously found to be supportable by the Board of Governors. The update may include information on revised project scope, revised cost estimates and revised schedules. It should be noted that the evaluation criteria used by the State Chancellor's Office to prioritize the submittals on a statewide basis may also be modified by the Board of Governors, by various responsible State agencies, such as the Department of Finance and the Legislative Analyst's Office.

However, the mandated formulas of Title 5 are unchanged. The Plan must, as always, list expected capital outlay projects (except for those which can be considered repair or maintenance) estimated to cost more than \$250,000, regardless of the source of funds. Projects costing less are not required to be listed unless they affect capacity, since these normally do not qualify for State funding.

Because the plan is prepared two years in advance, plan documents cover a period of seven years starting with the current fiscal year. Only those projects described in the plan are eligible for State construction funds.

Projects which are eligible for State support are identified for funding from State sources. Projects which may be considered by the Board for commencement using District funds are identified for funding from non-State sources. Other information included in the report are the campus, project name, total anticipated project cost, fiscal year term of occupancy and funding schedule.

The State Chancellor's Office continues to revise the capital outlay construction process; therefore, updated information on projects may be requested by the CCCCCO while reviewing this Five Year Capital Construction Plan.

If project lists submitted are approved by the legislature and the Governor and an available source of State funds is found and is committed, these projects could be funded by the State to the extent possible from the proceeds of such bonds or other sources, as authorized by appropriate legislation, in the future.

There is no cost to the District for this phase of the planning sequence. For projects shown in the plan, the schedule of funds indicates the budget requirement, by year, for each project listed. For local projects it is anticipated future proposition funds will be used if State funding is not provided.

A copy of the plan providing a listing of projects in a proposed priority sequence from fiscal year 2025-2029 and after is available for review in the Facilities Management office, Suite 310, District Offices building.

PUBLIC PRESENTATIONS:

In accordance with Education Code Section 72121.5, members of the public are invited to participate in the governance system of the District by utilizing the PUBLIC COMMENT section of the Board meeting agenda.

Public comment on items listed on the Board meeting agenda shall be heard at the time the item is discussed and prior to Board action on the item. Each presentation shall be limited to five minutes (a total of twenty minutes on the same subject) unless this time limit is waived by action of the Board.

Public comment on matters not listed on the Board meeting agenda may do so during the PUBLIC COMMENTS section of the Board meeting for Regular Board meetings only; for Special Meetings and Retreats, comments are only allowed for items on the posted agenda. In accordance with Education Code Section 72121.5, the Board shall take no action on such matters, other than an action of referral. Each presentation shall be limited to five minutes (total of 20 minutes on the same subject) unless this time limit is waived by action of the Board.

If you wish to submit questions to the Board in your presentation, they should be in writing. At the Board's request, the Chancellor will provide written responses to your questions as soon as possible after the Board meeting.

In compliance with the Americans with Disabilities Act, the San Diego Community College District will make every effort to honor requests for reasonable accommodations made by individuals with disabilities. [ADA TITLE II, SEC. 202. 42 USC 12132] If you need an accommodation, please email iso@sdccd.edu 72 hours prior to the scheduled meeting.
