Note:

- This course sequence assumes Math and English milestone levels of level 50. Students with milestone levels lower than level 50 will need additional courses.
- This example uses the San Diego Miramar College Native General Education Pattern (MIRA GE).
- Courses marked with an asterisk (*) are major options. Consult the college catalog and make an appointment with a counselor for assistance in selecting the most applicable courses for your specific educational goal.
- When preparing to transfer, it is important to maintain a strong, competitive grade point average. Therefore, it may be advisable to extend this plan over a longer time-period.
- All students are strongly advised to meet with a counselor to discuss the following:
 - Degree components: units and GPA required, major coursework, general education patterns
 - Applicability of challenge exams, units transferred in from other colleges, and advanced placement credit
 - Transfer preparation
 - How to alter this course sequence to best fit your specific learning needs and goals
