## MIRAMAR SPOTLIGHTS

**MEREDITH  
MCGILL**

(STAFF)

**HOMETOWN:**  
Alpine, CA

**FAVORITE PART ABOUT  
WORKING IN OUTREACH:**

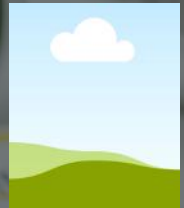

Supporting new students in their educational journey is impactful. I find it greatly satisfying being a part of the Outreach team, working with amazing colleagues and consistently learning new skills.

**ADVICE TO INCOMING STUDENTS:**

Never give up on your dreams and stay self-motivated. Celebrate the small milestones as they help pave the way towards one's future.

**FARAH  
BADR**

(STUDENT)

**MAJOR:**  
Biochemistry (Pre-health)

**RESOURCES THAT  
HELPED ME THE MOST:**

I took a lot of math and science classes and the tutoring services were extremely helpful. I wasn't familiar with the transfer process so I reached out to the Transfer Center a lot to understand my transfer path.

**ADVICE TO INCOMING STUDENTS:**

Take advantage of the resources provided, learn how to manage your time efficiently, and don't be afraid to ask questions!
