MIRAMAR SPOTLIGHTS

**NEAL
ERLANDSEN**
(STAFF)

HOMETOWN:
San Diego

**FAVORITE PART ABOUT
WORKING IN OUTREACH:**

As someone who struggled with getting acclimated to the college setting, I love helping students not just get through, but understand the process of getting started.

ADVICE TO INCOMING STUDENTS:

I think I'll choose to just affirm the resources out there. There are many resources available, so don't be afraid to ask around for them.

**JESSICA
RUBIO**
(STUDENT)

MAJOR:
Environmental Engineering

**RESOURCES THAT
HELPED ME THE MOST:**

Academic Programs like EOPS, CalWORKS, & CARE. Having a peer support group where we all help one another with challenging course work.

ADVICE TO INCOMING STUDENTS:

Definitely create a monthly calendar, to-do lists, alarms for everything! It is easy to forget tasks one is doing on a day to day basis. The main thing to be successful in college, is to be consistent and finish your assignments in a timely manner. Also have a good diet!

DID YOU KNOW?

Miramar has a fire tower on campus used to train students in the fire academy.
