**FAVORITE PART ABOUT
WORKING IN OUTREACH:**

Working with such a dedicated, hard-working, and talented team in making a difference for students. Helping others reach their goals by taking their first step with Outreach is an amazing reward.

ADVICE TO INCOMING STUDENTS:

Don't forget to savor the moments since it's easy to get overwhelmed or caught up with the chaos all around you. Outreach is here to help you make the journey a bit easier as part of our Miramar commitment.

RESOURCES THAT HELPED ME THE MOST:

I've always been an advocate for Miramar College's Honors Program - taking higher-level courses and mentoring under the Honors Coordinator, Dr. Carmen Jay, allowed me to pursue my interests more intensely and create a reliable support system.

ADVICE TO INCOMING STUDENTS:

Talk to faculty, talk to your counselors, talk to your fellow peers around you. When all else fails, the one thing you can rely on is a solid support system of individuals who have your back.

DID YOU KNOW?

Miramar has a music studio in the Arts & Humanities building that can be used by students!
