RESOURCES THAT HELPED ME THE MOST:

Honors Program offers an enriching learning experience for students from all backgrounds. This program had great teachers, an amazing advisor, and guaranteed priority admission consideration to a number of prestigious universities.

ADVICE TO INCOMING STUDENTS:

Please go to the professors office hours! They are there to answer questions you might not have gotten the change to ask in class. Also head to the Transfer Center even if you have decided on your school, there might be another school out there that fits you better.

DID YOU KNOW?

Miramar has a fitness center open to students enrolled in exercise classes.
