CSU GENERAL EDUCATION BREADTH REQUIREMENTS – CERTIFICATION PATTERN

General Education (GE) consists of courses selected from a variety of disciplines, intended to provide a well-rounded education. Completing a GE pattern is one of the components for transfer to any CSU. Other transfer components include grade point average and preparation for the major coursework. Please visit the Transfer Center or Counseling Office to obtain all the requirements for transfer to a CSU.

GOLDEN FOUR: Areas – A1, A2, A3 and B4 are required for admission into any CSU. CSU campuses require letter grades of "C" or better for graduation. Please consult with a counselor for details regarding grades of "P".

GENERAL EDUCATION CERTIFICATION:

- Certification of General Education courses is requested when the CSU GE pattern has been completed and the student has been accepted to a CSU campus. One of the following requirements must be satisfied in order to certify GE: a) completion of a minimum of 12 units in residence at the SDCCD colleges <u>or</u> b) completion of at least 3 units of GE transferable course work from the CSU certification pattern at an SDCCD College.
- Official transcripts from all other accredited institutions attended must be on file and will be reviewed for inclusion in the certification process. A minimum of 39 semester units is required for a <u>complete</u> certification.
- > Courses listed in more than one area cannot be certified in multiple areas.
- Students who complete the full CSU GE pattern have fulfilled the requirements for a Miramar College Certificate of Achievement in CSU General Education - Breadth.

Acceptable scores on Advanced Placement (AP), International Baccalaureate (IB), or College Level Examination Program (CLEP) exams may fulfill some CSUGE subject areas. Consult the college catalog and a counselor for details.

KEY: C = Units Completed; **IP** = Units In Progress; **R** = Units Remaining; * Course is listed in more than one area but cannot be certified in more than one area; *Italics* = Course is offered at San Diego City or Mesa College (not Miramar College.)
