- WITHDRAWAL/CHANGE OF CLASSES: I understand that as a condition of attendance in the San Diego Community College District, I am required to notify the VA Office whenever I add/drop any course that is payable by the VA Regional Office. These changes must be reported immediately.
- **FEE DEFERMENT**: I understand that I will be responsible for paying for any outstanding fees not covered by my VA educational benefits. I will have a hold placed on my account and will not be able to register for classes in subsequent semesters until the balance is satisfied.
- REPEATED CLASSES: Veterans may <u>not</u> receive benefits for a repeat of a course in which a grade of "A," "B," "C," "D," or "P" has already been earned. Although District policy allows a student to repeat a course in which a "D" grade has been received, the repeat course may only be certified for benefits if the catalog states that a grade of "C" or better in that course is required to earn a degree or meet a prerequisite.
