I. Call to order

II. Approval of agenda

III. Business:

1. We reviewed a petition for Academic Senator Kevin Gallagher to be reinstated as a senator based on the following:
 - a. Kevin was on leave for the previous three weeks and in that time, he missed an A.S. meeting and neglected to arrange a proxy
 - b. For the previous two meetings he missed, Kevin thought he was meeting his obligations. He wasn't aware of the exact protocols about officially requesting a proxy and neglected to do so. (He also shared that Juli has been very helpful and communicative in all of their interactions.)
 - c. Kevin is interested in continuing to serve on A.S.
 - d. When Pablo Martin emailed Kevin to inform him that his Senate seat would be voided due to absence, he was on leave and the email was CC'ed to Kirk Webley, former Chair of Counseling. Kirk was no longer serving as chair as he was also on leave. Martin realized this the week of 4/11 and contacted the interim Chair of Counseling, Marc Hollman who informed Martin that Kevin was on leave. When Kevin returned from leave, he reached out to the ConC about petitioning to keep his Senate seat.
 - e. How this petitioning process works should be clarified in the ASC&B
 - f. The motion passed unanimously.

IV. Adjournment
