## 2022–2023 Number of Household Members and Number in College (LHSIZE)

Your 2022–2023 Free Application for Federal Student Aid (FAFSA)/California Dream Act Application was selected for review in a process called verification. The law says that before awarding Federal/State Student Aid, we may ask you to confirm the information you reported on your FAFSA/California Dream Act Application. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA/California Dream Act Application with the information on this worksheet and with any other required documents. If there are differences, your FAFSA/California Dream Act Application information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.
