5. Report

5.1. Academic Senate President Report: Proposed changes to the SEEM Committee duties as reflected in the College Governance Handbook

- The co-director positions will be unfunded after this semester, and there was concern about them doing work for which they are not being paid. Consequently, there will be one additional Math faculty and one additional English faculty in place of the co-directors.
- Martin will bring input back to College Council.
- Concern was expressed about release time going from 60% to zero. Martin said that VPI Odu has assured everyone that the work will be done by others—for example, Guided Pathways.
- College Council voted on this today, contingent upon what happens at this Academic Senate meeting.
