<b>D</b>	<p><b>Chair's Announcements:</b></p> <ol style="list-style-type: none"> <li>1. Petti lead a discussion sharing information from a recent College Council meeting that both enrollment and productivity is up this semester. The greatest increase in both areas is in the second eight-week semester. A lively discussion ensued weighing the options of various scheduling strategies to increase enrollment, productivity, and meeting student need.</li> <li>2. Petti asked Chairs to identify a liaison for the development of departmental webpages. Chairs will send Petti their liaisons, and Petti will forward that list to IT and College Council. Chairs that do have departmental webpages shared frustration about errors on their page as they do not have tech permissions to correct, and how that can result in accreditation problems if outside agencies were to see those errors and assume they are accurate. Petti will forward those concerns.</li> <li>3. Petti thanked the Chairs for conducting timely Department Chair elections. Kevin Gallagher welcomed as an incoming Chair starting next semester, which is the only change to the Chairs Committee.</li> <li>4. Per requested by College Council, Petti encouraged chairs to attend and for them to please encourage their faculty to also attend graduation.</li> <li>5. Petti reminded Chairs to conduct timely faculty evaluations.</li> <li>6. Next Chairs Committee will be preceded by an AFT Social Event with Pizza! More information to come but please save the hour before our Chairs meeting to come and socialize and have a slice!</li> </ol>
