#	Items	Strategic Goals*	Accreditation Standards**	Initiator
1	Spring 2023 meeting dates: (5 min) February 3rd (on Zoom) March 3rd (L-101 & Zoom) April 7th (L-101 & Zoom) May 5th (L-101 & Zoom) 1st of format: N. Julian; 2nd: I. Martin approved			D. Tran
2	Becoming student-ready: Ideas for this semester's College Hour (15 min) I. Martin: How about online activities? Different formats make sense. Activities in accordance with the class format. D. Tran: Like online CISC classes I. Martin: It would be nice to cater to all students. D. Khan: Example: Some students are asking if certain courses are online. Additionally, "mixed-format" classes are confusing students. We need to accept the remote format. I. Martin: If our goal is to prepare students for the future, then they need to be familiar with technology and online format. D. Tran: Different times for College Hour I. Martin: Some days from 12:30-1:30 pm. Other days from 4-5 p.m. It does not matter.	I, II, III, V	I, II, IV	All

	D. Khan: Some students might have kids to pick up. I. Martin: Is there a survey of student input about College Hour? Could the ASG create a student survey? D. Tran: Last semester, the PIQ workshops were popularly attended. R. Cabrera: Guess that activities are held in the K1 Building because students can go to the events while grabbing something to eat. Activities such as Drag Queen Storytime can be online. Hy-Flex.			
3	Becoming student-ready: Ideas for creating a foundation of cultural humility and commitment to campus engagement (25 min) I. Martin: An important component is informing folks about implicit bias. You can take the test, but talking about what it is. Our mind makes generalizations. We can have activities, but we need to summarize how implicit bias affects oneself. To incorporate implicit bias but make it easy on how it affects us. D. Tran: There are too many implicit bias tests. I. Martin: Making sure that we are aware of our implicit bias. D. Tran: Learn how to respect I. Martin: Make sure that professional development has a cultural humility component. D. Khan: Important to not judge right away. If possible, take your time to think from other angles. You need to be open to other factors in a student's life. I. Martin: "Tell me more about your request." D. Tran: Self-reflection is critical in cultural humility I. Martin: Make a suggestion to Laura P. about a template on cultural humility. It would be handy to use. D. Tran: LEAD Office is a good go-to resource.	I, II, III, V	I, II, IV	All
