

SAN DIEGO MIRAMAR COLLEGE
WOMEN AND NON-BINARY IN STEM SERIES PRESENTS

MINH-HA T. DO (SHE/HER)
VICE PRESIDENT, RESEARCH
RAMPART BIOSCIENCE

Dr. Do will talk about her experience working in private industry to develop therapeutics for rare diseases. She will share her path from obtaining a Ph.D. in Biomedical Sciences 15 years ago to applying her degree in various roles in the start-up environment.

THURSDAY, APRIL 13, 3-4 PM
ZOOM
