

OVERVIEW

As we get closer to the end of the semester, things always get a bit more hectic. As such, we do have a few items that will be coming back for 2nd Reads/votes at our next meeting (May 2). Please find a summary of those items below.

REMINDERS FOR OUR NEXT MEETING

Just one more reminder because there was some confusion on this in our last meeting:

- If you attended in person but plan to go remote for the next meeting, please [submit the form](#).
- If you attended remotely, and plan to attend in person next time, let me know what address you had listed, so I can make sure it doesn't show up on the agenda for the next meeting.

FIRST CALLS/FIRST READS (to be voted on at the 5/2/23 meeting)

7.1 CFHPC: Present Contract Faculty Hiring Form & Rubric (slide 8)

Kevin shared with us these two documents related to new hire requests:

- [Contract Faculty Hiring Form](#)
- [Contract Faculty Hiring Rubric](#)

Please review those with your constituents before our next meeting. The first document is the form that departments will need to fill out to request Full-Time Faculty positions. The second document is the rubric that will be used to review those requests. Kevin explained that in the request form, it will need to be a robust narrative. This document then goes to the committee, it is graded using the provided rubric, and the Chair of the CFHPC will collate the results and create a ranking of all requests. Please take note in the rubric that the boxes are separated to allow for the different measurements required for instructional versus non-instructional faculty. Kevin also mentioned that we want to get these documents approved this semester so we can stay ahead of any potential new hires that might come our way.

7.2 Seeking A.S. Approval for the Guided Pathways Plan (slides 8-27)

Lisa Brewster shared with us the [Guided Pathways Workplan for 2022-2026](#). In her presentation, Lisa started by explaining how this plan is connected to the Equity plan we had previously seen in Senate and that both of these will eventually be tied to the Educational Master Plan. The document/slides that Lisa shared are basically the summary of all the things that Guided Pathways has done here at Miramar. This is mainly for reporting purposes to show the State how the funding we have received has been used effectively. Please review the document provided. Suggestions can be sent to Lisa Brewster before we vote to approve at our next meeting.

7.3: Recommended Changes to the AS Constitution and By-laws (slides 28-31)

In preparation for the 2nd reading on this, please go over these documents where you will be able to see the proposed changes to the Constitution and Bylaws. Changes are highlighted to show where changes are being suggested (and there are explanations in certain areas to clarify the suggestions):

- [DRAFT PROPOSED CHANGES 4 14 23 AS Bylaws May 2022](#)
- [DRAFT PROPOSED CHANGES 4 14 23 AS Constitution May 2022](#)

The notes presented by Carmen in our meeting were based on the changes that are highlighted. These include:

- Adding the Curriculum Chair to the AS Exec Committee and removing the appointed At-Large member from Exec (please note, the elected Contract At-Large position would remain).
- Making all AS Exec terms consistent (2 years) and to also change Senator terms to two years as well.
- Clarifying duties of the Secretary in conjunction with the Administrative Assistant
- Adjusting the listed duties of the Chair of Chairs (eliminating any non-Senate duties listed) and adding in language for Curriculum Chair duties.
- Proposed changes to reassigned time are also suggested based on the new makeup of the ASEC (below; note that these were not originally included in the marked-up documents above). Along those lines, it is also suggested that after an election, the new ASEC determine their reassigned time—this language is included in the marked-up documents above.

Current Positions/ Reassigned Time:	DRAFT of Proposed Positions/Reassigned Time
President: 1.0	President: 1.0
Vice-President/President-Elect: .40	Vice-President: .4
Secretary: .20	Secretary: .20

Treasurer: .10 Contract At-large: .025 Adjunct At-large: AFT hourly reimbursement At-large Appointee: .025 Chair of Chairs, "A.S. Please provide feedback to Carmen (cjay@sdccd.edu).

7.4: Seeking Input on the [Spring 2023 CGH Change Workgroup Requests](#) – Pablo Martin

Change requests are brought to the CGH Change Workgroup (by a committee or other workgroup) and then recommendations are reported to the constituency groups for feedback and input before they are implemented. (This outlined in the CGH Change Request Process.)

Please review the document linked above and contact Pablo (pmartin@sdccd.edu) or Malia Kunst (mkunst@sdccd.edu) if you have any input or feedback on any of the proposed changes.

7. Discussion Items

7.1. (First Read) CFHPC: Present Contract Faculty Hiring [Form](#) & [Rubric](#) – Kevin Petti

- Petti presented the document and explained that this would be for *new* positions.
- The hiring list procedure was approved by the A.S. body at the Feb 21, 2023 meeting.
- It was noted that librarians, nurses and counselors have different metrics that are reflected in the rubric.
- There was unanimous consensus on this at the CFHPC.
- This will come back to the next meeting for a second reading.

7.2. (First Read) Seeking A.S. Approval for the [Guided Pathways Plan](#) – Lisa Brewster

- The GP Workplan from 2022-26 is an integration of the Equity Plan. The intersection of GP and Equity is using a culture of care framework to meet students where they are, when they need it, and how they need it. GP is the action.
- Still have to develop summaries.
- Various groups have contributed to this GP Plan.
- Will be updating it next year.
- Brewster went through the Plan for senators.
- “GP is supposed to be the rock by which the college is built.”
- Had to identify immediate, intermediate and long-term goals.
- Keeping things vague in the document, because the more specific they are, the more accountable they are.
- Over time, they will be connecting this, the Equity Plan and Strategic Goals to develop an Educational Master Plan.
- They are showing the State legislators all of the amazing things that have been done with the funding.
- Recommendation was made to change “freshmen” to “first year students.”
- This will come back to the next meeting for a second reading.
- Brewster also announced that the GP project is being highlighted at their workshop on April 28th. We are one of the three colleges that were selected as “stellar stars.”

 - Martin clarified that next year's Exec will still be one-year terms.
 - This will come back to the next meeting for a second reading.
- 7.4. Seeking Input on the [Spring 2023 CGH Change Workgroup Requests](#) – Pablo Martin
- Martin shared the recommendations from the workgroup (outlined in the above document). He explained that the change requests are brought to the workgroup and then recommendations are reported to the constituency groups for feedback.
 - Martin clarified that the AS President is being removed from CFHPC because of potential conflict of interest.
 - Curriculum Chair, Stiller-Shulman, added in the chat: "The purpose of allowing additional term limits is to ensure that the curriculum committee is able to operate effectively and efficiently, and to provide valuable professional growth opportunities for its members. Allowing experienced members to serve additional terms can help maintain continuity, smooth out the multiyear workflow of the proposals under review, and ensure that the committee's decisions are consistent and effective. It also allows members to further develop expertise of the CCCO's standards and criteria, which can benefit the college and enhance the quality of the committee's work."
 - Send feedback to Martin or Malia Kunst.
