| 1 | I felt that some of the counselors advising me on what classes to take next/whether or not I was on track to graduate were not very knowledgeable on the material. For instance, one counselor answered almost all my questions with 'I don't know.' And another made it sound like I would have to take a whole additional semester at Miramar for just one class rather than advising me to take the prerequisite for it during intersession. | 4/20/2021 9:53 AM |
