

PATHWAY TO STEM SUCCESS

SUMMER 2024 PROGRAM

IF YOU LOVE SCIENCE, TECHNOLOGY, ENGINEERING, OR MATH, JOIN MIRAMAR'S PAID SUMMER STEM RESEARCH INTERN PROGRAM

When:
Late May to late July (2024)

Where:
On Campus (SD Miramar College)

Under the direction of the Miramar STEM instructor(s) in the Department of Mathematics, Biological, Exercise & Physical Sciences, you will provide technical and analytical support in carrying out all tasks within the scope of their research project(s).

Pay Rate:
\$22.31

Interested students: Complete this interest form <https://bit.ly/3Vst7iN>. If you are accepted to participate, you will be contacted via email to attend a program orientation/onboarding process.

To be eligible to participate, you must:

- Complete a financial aid application (FAFSA/CADAA)
- Be enrolled at least half-time (6 units) in summer courses required for completion of a degree or certificate, OR
- Be accepted for enrollment on at least a half-time basis (6 units) for the following Fall '24 academic term.
