SAN DIEGO COMMUNITY COLLEGE DISTRICT

June 24, 2024

To: Current and Prospective Suppliers/Vendors/Contractors/Consultants/Lecturers

Subject: Reminder – Notice on Gifts and Gratuities

The San Diego Community College District (District) values the services and products that are provided by your organizations. Those products and services allow the District to continue in our mission of providing accessible, high-quality learning experiences at an affordable price to meet the educational needs of the San Diego community.

As the end of the calendar year approaches, we would like to take this opportunity to remind you of the District's continued commitment to ethics and integrity throughout the procurement process – beginning with the individuals who request a product or service; to the District Buying and Contracts Staff; to the end-users and individuals who receive the service or product. This applies throughout the District.

The District encourages participation in the procurement process, whether your organization is large, small, or a non-profit entity -- we welcome you! Our goal is to find appropriate products and services at competitive prices, in a timely fashion, with efficiency, in a legal and professional manner.

It is the District's expectation that those who conduct business with San Diego Community College District refrain from offering gifts, gratuities, favors, entertainment, etc., either directly or indirectly to District employees. The "Conduct of Contractor" terms and conditions are located on the District website and referenced on each Purchase Order for your convenience (httPeopleSoft://www.sdccd.edu/about/departments-and-offices/business-technology-services-division/business-services/purchasing-vendors/vendors-suppliers/general-terms-and-conditions.aspx).

We value your continued work with the district and thank you for your support and agreement with this expectation as we maintain uncompromising integrity and professionalism in all business transactions that support the San Diego Community College District's mission.

If you have any questions or concerns, please contact our office at (619) 388-6562.

Kelly Rosas
Manager, Business Services

San Diego Community College District
CAL-Card Program – State of California Purchasing Card

Reminder: The CAL-Card is issued to you, as an individual employee. You cannot transfer your CAL-Card credit card to another employee. You are responsible for all charges and can be held personally liable for purchases made via the CAL-Card that were not approved, in advance, by your Approving Official.

The CAL-Card is to be used only for authorized District Business. CAL-Card transactions are subject to review at any time by SDCCD Business Support Services, Purchasing and Contract Services, Accounts Payable, and external auditors.

Items purchased via CAL-Card are to be shipped to a District address. Shipment to a home address or other non-District address is not approved.

Misuse or fraudulent use of the CAL-Card credit card may result in suspension of credit card privileges, disciplinary procedures, termination of employment, and/or criminal prosecution.

CAL-Cards cannot be used to charge items for anyone other than the cardholder. Cards are issued in the individual Cardholder's name with a signature required on the reverse side of the card. If an attempt to purchase is made by a person other than the Cardholder, the transaction can be declined, and the card can be confiscated.

Authorized Uses - The CAL-Card credit card should only be used for the purchase of administrative and instructional supplies that would be legitimately purchased within the 4000 object codes (See the Budget and Accounting Manual). The card MAY NOT be used to purchase minor equipment under $200 or any services not approved).

The card can also be used for minor services within the 5000 object codes. Any services would have to fall under the District transaction limit of $200.

Prohibited Uses (not an all-inclusive list)

Prohibited Purchases include:
- **Minor Equipment <$200**
- **Capital Outlay/Equipment >$200**
- **Alcoholic Beverages**
- **Restaurant Meals**

Prohibited Practices:
Cash Advances
Cash Refunds - Requesting a cash refund for a credit card purchase
Splitting Transactions - Asking the merchant to put charges exceeding $200 on
multiple charge sliPeopleSoft.
Personal Purchases - Using the card to make a purchase of merchandise for
personal use.

Cardholder Statement of Account -- At the end of a billing cycle, U.S. Bank will send each cardholder the Cardholder Statement of Account that shows all transactions they made during the billing cycle. The cardholder is required to review and attest to the accuracy of the statement and forward it along with their Purchase Log, Reconciliation Report, and receipts to the Approving Official within **five (5)** working days of receipt. If there are no transactions during the billing cycle, no statement will be sent.

Approving Official Report -- The Approving Official will review the Cardholder's Statement, Purchase Log, Reconciliation Report, and receipts for accuracy, completeness and appropriateness of the purchases. The Approving Official will then sign off on the log sheet and report, forwarding the packet to Accounts Payable for payment within the designated time period. Failure to forward the statement to the Approving Official or Accounts Payable within the designated time period may result in suspension of credit card privileges.

Cal-Card Agreement – the below statement was signed by all CAL-Card holders prior to receipt of the individual CAL-Card credit card:

AGREEMENT

I, the undersigned, request and acknowledge my responsibility for a District Purchasing Card. I have read and understand the terms and conditions for use of the credit card and the consequences to me personally for any misuse of it. I agree not to loan, give possession, misuse, modify, or alter the assigned card. I further agree to retain auditable copies of logs and receipts for the current year and the three previous years, to maintain monthly Purchase Logs and reconcile them to monthly Cardholder Statements of Account, to file timely disputes of any unauthorized charges on the appropriate forms, to submit any changes to my status (address, phone number, etc.) to my Approving Official , and to report immediately any lost, stolen, or misplaced card immediately to the bank, and, within one (1) working day, notify Purchasing & Contract Services and my Approving Official.

I understand that the card is to be turned over to my Manager or Approving Official upon resignation, retirement, termination for any reason, or when the reason/need to have the card is no longer valid (e.g., reassignment, promotion).

I recognize that the card is issued in my name and is only for my use in the performance of my job and only for authorized District business.

I have read and understand these terms, recognize that violation of these may be the cause for disciplinary action, and further acknowledge and authorize that any monies owed to me as an employee of the District, including any pay warrants, may be withheld until I return the card and all statements are satisfactorily reconciled. I also recognize that money owed to me personally by the District may be adjusted to compensate for any losses resulting from unauthorized use of the card.

All CAL-Card statements must be submitted to District Accounts Payable by the 4th of each month via payment request.

Purchasing and Contract Services Department
Frequently Asked Questions (FAQs)

1. **How is a supplier searched for in PeopleSoft?**

   Please refer to the Suppliers tutorial that starts on **page 10** of the PeopleSoft User Manual for Purchasing.

2. **What if the supplier is not in PeopleSoft? How do I obtain a Supplier ID? What is the process for entering a supplier into PeopleSoft?**

   If the intended supplier does not exist in PeopleSoft, a new Supplier ID number will need to be established. To establish a new supplier, the requestor must first send the blank SDCCD Supplier Application form to the supplier for their completion and request an IRS form W-9 from the supplier.

   Use the following link to access the supplier intake form: httPeopleSoft://www.sdccd.edu/about/departments-and-offices/business-technology-services-division/business-services/purchasing-vendors/forms.aspx

   Upon completion, the supplier shall return the two documents to the requestor. The requestor will review the documents for completeness, accuracy, and legibility. If incomplete, inaccurate or illegible, the requestor will return the document(s) to the supplier for revision. If complete, the requestor enters the supplier's information (from completed documents) into the PeopleSoft supplier database, and upload both forms as a combined .pdf document in the supplier's profile.

   **NOTE: All foreign suppliers must first be TIN matched by Accounts Payable prior to approval and entry into PeopleSoft. Initiator/requestors must first submit the completed Supplier Application and W8 forms to purchasing. Purchasing will forward the forms to Accounts Payable for review and approval. Accounts Payable will perform a TIN match and notify Purchasing if the supplier is approved to move forward or if additional information is required. Once approved, Purchasing will notify the requestor to enter the supplier's information into the PeopleSoft supplier database.

   After input by department, email notification is sent to Purchasing and Contract Services, at supplierintake@sdccd.edu, who will review the data and respond accordingly.

   Once the supplier is approved, the supplier may be used when drafting a requisition. For instructions on how to set up a supplier in PeopleSoft, please refer to the step-by-step tutorial that starts on **page 11** of the PeopleSoft User Manual for Purchasing.

   Please note that if a supplier is set up for services, the supplier will need to be TIN matched through the IRS TIN matching process by District Accounts Payable. The TIN matching process is scheduled each week on Tuesday and Thursday afternoons. A supplier requiring TIN matching cannot be approved by Purchasing and Contract Services until District Accounts Payable has verified the suppliers IRS status. Please allow ample time for supplier approval when TIN matching is required.

3. **What if the supplier is a consultant?**

   All suppliers, consultants, companies, lecturers, or performers who will be paid via check issued through PeopleSoft must have a current supplier profile. See above answers regarding checking for or obtaining a supplier profile.

   Consultants, lecturers, performers, and those providing professional services to SDCCD will also have a services agreement included with their Purchase Order. To facilitate review and signature by Purchasing and Contract Services, it is recommended that the draft agreement, Scope of Work (SOW), and draft payment schedule be emailed to the Procurement Specialist.

The following items, if $5,000 or less, no longer need to be processed through requisitions but can be paid via the online payment request process in PeopleSoft:

- ❖ Subscriptions
- ❖ Non-Software licensing
- ❖ Membership fees
- ❖ SponsorshiPeopleSoft/Advertising
- ❖ Honorarium- one-time lectures
- ❖ Fees for Street Fairs/Outreach /Local promos
- ❖ Deposits for events which meet the above criteria

The purchase requisition for the requested services should be completed through the workflow approval process in PeopleSoft. A copy of the draft agreement must be uploaded with the purchase requisition. When the purchase order is completed, the Procurement Specialist will upload the completely executed agreement in PeopleSoft. **See Board Policy AP 6330.**

See pages 33 and 34 for the BPO process.

4. **When requesting a quote for budgetary purposes, does the shipping or freight need to be included?**

When a supplier sends a quote, 'freight' or 'shipping', if applicable, is to be shown as a separate line.

- ❖ Shipping/freight is not taxable
- ❖ Shipping and Handling is taxable

Shipping may be estimated by the quoting supplier and may actually be a different amount on an invoice as opposed to the original quote.

If supplier adds shipping to the invoice but it was not previously part of the quote
- ❖ this may require a change order in order to pay the invoice
- ❖ this may have an impact on your budget
- ❖ this may delay payment, adding steps and revision of existing documents must necessarily be performed by the requester

Please clarify BEFORE the supplier provides a quote whether a shipping charge will occur.

NOTE: Freight must be added as a separate line item using **Category Code 962-86 and **DL (Dollar)** should be selected for the **Unit of Measure** on that line. (i.e., if the freight cost is $25 that will be the **Quantity** and the **Price** will always be a $1.00).

See **page 36** for instructions on how to enter a freight line.

5. **I am drafting a requisition, what is the expected lead time between the request for an item or service and when a purchase order is issued (dispatched) to a supplier?**

Procurement Specialists perform many tasks as part of their purchasing responsibilities. Solicitation issuance, troubleshooting, negotiation, process application, and customer service follow-up are part of those responsibilities.

It is asked that requesters and end users consider adding time for those activities when initiating a request

and also have a reasonable expectation as to when the purchase order will be issued to a supplier and when the ordered items will arrive, or the service period of performance will start.

After a completed purchase requisition goes through the approval cycle, a pre-encumbrance budget check will occur to verify fund availability for the purchase request.

Following the purchase requisition approval cycle, the Procurement Specialist will receive the request in their PeopleSoft queue for review. An example of checks made during the review – does the cost exceed current bid threshold, is there a complete description, proper category code, asset information (if an asset is being purchased), review of any attached quote, clarification on any notes, and whether another source of supply is available that would benefit SDCCD or the end user (i.e., pricing, delivery, quality). Final location/destination for delivered items must be stated.

Following the review and other Purchasing and Contract Services actions, the Procurement Specialist will use the purchase requisition, its budget, and line item(s) to complete the purchase.

If for some reason the purchase requisition cannot be used, the Procurement Specialist will move the purchase requisition back to the requestor. The Procurement Specialist will add appropriate comments, identifying why the requisition was returned and what can be done to clear that issue.

The purchase order queue lists those purchase orders ready for electronic print and email (dispatch) to appropriate supplier.

The Procurement Specialist will perform an encumbrance budget check, review the purchase order content, and prioritize issuance (dispatch) of each purchase order. Order complexity, lead time, and shipping are considered by the Procurement Specialist when completing a purchase order.

6. **How do I enter a requisition?**
   Please refer to the step-by-step tutorial regarding requisitions that starts on **page 26** of the PeopleSoft User Manual for Purchasing.

7. **Whom do I contact if I am having trouble entering a requisition into PeopleSoft?**
   Each campus has a direct resource in their respective Business Services Office. Purchasing and Contract Services works directly with each Business Office, as well as with requestors and end users. In contacting your respective Business Services Office first, it allows for that office to determine if the campus requires additional resources. All departments may reach out directly to the Purchasing and Contract Services Department as needed.

8. **Where do I attach supporting documentation (i.e., quotes, scope of work, payment schedules)?** All supporting documents are to be attached as one single attachment to Line one of the purchase requisition. If the purchase requisition exceeds $10,000, three quotes are needed. Each quote must be uploaded as a separate attachment on line one of the purchase requisition. Please refer to **page 39** of the PeopleSoft User Manual for Purchasing.

9. **How do I create a Blanket Purchase Order?**
   Please refer to the step-by-step tutorial on how to enter a requisition as a **"Blanket"** requisition that starts on **page 37** of the PeopleSoft User Manual for Purchasing.

10. **Can I create a Blanket requisition for supplies?**
    Blanket Purchase Orders are intended for service renewals, maintenance service agreements, rental services, professional services, and subscriptions/memberships.

11. **How can I see if a purchase requisition has been approved?**

A confirmation will be emailed to the requestor once the requisition is final and approved. To check the status of a purchase requisition in PeopleSoft, drill down into the Manage Requisitions screen. Enter the **Requisition ID** number and click search. To access **Manage Requisitions**, use the following navigation: **Financials 9.2 > eProcurement > Manage Requisitions.** Click the gray triangle to the far left under **Req ID** to expand the details of the requisition. Click on any of the highlighted icons to obtain additional information.

This area will also show whether or not the purchase order has been dispatched to the supplier.

12. **How do I check the balance on a Blanket Purchase Order?**

To check the balance of a **Blanket Purchase Order** in PeopleSoft, use the following navigation: **Financials 9.2 > Purchasing > Purchase Orders > Review PO Information > Purchase Orders.** To search for a purchase order, enter the **PO ID** number in the **Search Criteria** field. Click on the **Activity Summary** and a new window will open that provides the activity against the PO.

13. **How should I enter the description for each line item?**

The **ARMA format is recommended** for purchase requisitions. This helps to give some consistency to purchase requisitions and purchase orders being processed. See the **ARMA Rules** on **pages 74 and 75** of the PeopleSoft User Manual for Purchasing. If you have further questions, please contact the **Central Distribution Center at 619-388-1180**.

14. **What end user contact information is needed on requisitions?**

The end user's name, email address, and location are required. This information should be entered in the **Requisition Comments and Attachments** section of the requisition and all three boxes at the bottom of the box should be checked.

15. **If a supplier gives me an agreement to sign, what should I do?**

If the agreement document is one provided by the supplier, the supplier may request we sign it first. This is common for documents that originate with the supplier. In this circumstance, a few additional steps may be required. Still attach the agreement to line one of the purchase requisition. The Procurement Specialist will review the agreement and forward it to the Purchasing Supervisor who will then either sign the agreement and forward it to the supplier for their signature, or will request revisions from the supplier, if needed. Purchasing will continue to communicate with the supplier until the revisions are completed and the agreement is fully executed. Please note, agreements provided by the supplier almost always require revisions. The process can take time, particularly if the supplier has to forward the revisions to their legal department for review.

After the revisions are complete, and all signatures are obtained, the Procurement Specialist will upload the fully executed agreement to the purchase order and it will be dispatched to the supplier. Please note that all agreements and contracts related to Purchasing and Contract Services must be signed by an authorized signatory per the annual District Signature Authority delegation.

16. **Why does purchasing change the supplier that the department entered on the requisition?**

The supplier entered on the purchase request is often a suggested source of supply, particularly when the request is for goods or supplies. The San Diego Community College District Procurement Specialists use techniques that maximize cost savings, take into consideration availability, and ensure full and open competition where practicable. For some products, the District may utilize suppliers that have volume-based purchase agreements.

17. Does the supplier get a copy of the Purchase Order?

Yes. All purchase orders are issued (dispatched) via email. All suppliers must have a current email address in PeopleSoft within the supplier database to receive the applicable purchase order.

18. How do I request that a Change Order be processed for a Purchase Order?

All change requests to a purchase order must be initiated by the end-user at the requisition level. This allows for review and workflow approvals through PeopleSoft. Be sure to alert your Procurement Specialist prior to completing a purchase requisition to confirm that a requisition is needed. Once approved and processed, the purchase order will then be updated and the change order will be dispatched via email to the supplier, if needed. Please refer to the step-by-step tutorial for end users regarding change orders that start on **page 45** of the PeopleSoft User Manual for Purchasing.

19. What happens if the supplier delivers directly to the requestor?

All goods must be delivered to the campus **Stockroom and or Central Distribution Center**. **DO NOT SHIP ITEMS TO YOUR HOME ADDRESS.**

End users should not accept delivery; instead re-route the supplier to the Stockroom/Distribution Center so the ordered items can be received into PeopleSoft. District Office, DSC, and Continuing Education receiving needs to be done through the Distribution Center. To facilitate this, ensure that the "ship to" location is identified on the purchase requisition as the Central Distribution Center (CDC). The CDC Ship To location code is **DISCDC0100**.

Please note that if the items ordered are oversized/heavy in nature, this information should be included on the initial purchase requisition so that Purchasing and Contract Services can add special notes for the driver to coordinate delivery with the end user.

If the supplier does not follow the instructions on the purchase order and re-routing of the item is not possible, end users must notify the Stockroom or the Central Distribution Center within **48 hours** of receipt of goods.

As a reminder, end users are **NOT** to receive items in PeopleSoft. If the item(s) were delivered directly to the end user, then the end user will need to contact the appropriate Stock Room/Central Distribution Center to notify them that the order has been received. For a list of receiving contacts per location, please refer to **page 44** of the PeopleSoft User Manual for Purchasing or your campus Business Service Office.

20. **What should the requestor do if they do not receive an item that was listed on the purchase order?**

The end user/requestor should look up the purchase order number and contact the supplier to see if the item(s) were shipped. Next, the end user should obtain the tracking number from the supplier and track the order.

If the item(s) were delivered, the requestor will need to contact the appropriate Stock Room/Central Distribution Center to confirm receipt and coordinate delivery of the item.

21. **What is the process for returns and Exchanges?**

See Returns & Exchanges Board Policy AP 6330.16.

22. **Is there an occasion when a Confirmation Purchase Order is used?**

All authorized purchases will have a purchase order issued via PeopleSoft and transmitted (dispatched) to the supplier via email. Purchases made by individuals other than SDCCD Procurement Specialists are unauthorized purchases and may result in the individual being financially responsible for that unauthorized purchase or result in the supplier not receiving payment from SDCCD. The District requires regular purchase orders be issued pursuant to the California Education Code prior to the procurement of materials, supplies or services.

This does not apply to purchases made via approved processes related to CAL-Card usage.

If an unauthorized purchase has been made, contact the Purchasing and Contract Services Department to request the current form to be completed and have it signed by your Campus VPA. This form details the unauthorized purchase and what steps will be taken to ensure only authorized purchases are made going forward. Please refer to **page 79** of the PeopleSoft user Manual for Purchasing. See Board Policy 6330, AP 6330.14.

23. **What is SAM.gov registration?**

Debarment checks will be verified in SAM.gov for any order that is using Federal funds. SDCCD is not requiring vendors to register with SAM.gov.

For Board Policy reference, click here: httPeopleSoft://www.sdccd.edu/about/leadership/board-of-trustees/board-policies/index.aspx

Thank you for your contributions to this FAQ section! Please e-mail us with questions at purchase@sdccd.edu.

PEOPLESOFT (PEOPLESOFT) SUPPLIER APPLICATION PROCESS

When a requestor decides to engage a 'new supplier' to purchase future products or services the requestor will;

Verify whether this anticipated supplier currently is entered and approved in the PeopleSoft system and if so, use that Supplier ID number when creating the requisition.

If the intended supplier does not exist in PeopleSoft, then a new Supplier ID number will need to be established. Completing the Supplier Application form and IRS W-9 form is required as the initial step by the requestor (*It is recommended that these two blank forms be forwarded by the requestor to the supplier to complete (supplier has all the necessary information, first hand).

Use the following link to access the most current forms:
httPeopleSoft://www.sdccd.edu/about/departments-and-offices/business-technology-services-division/business-services/purchasing-vendors/forms.aspx

Upon completion, the supplier shall return the two forms to the requestor. The requestor will review the forms for completeness, accuracy, and legibility.

If incomplete, inaccurate or illegible, the requestor will return the form(s) to the supplier for revision.

If complete, the requestor will perform the data entry into PEOPLESOFT from the completed forms.

The supplier's W-9 and Supplier Application forms are uploaded in the supplier's profile for filing purposes and access by both Accounts Payable (AP) and Purchasing.

Thereafter, a Supplier ID is issued within PEOPLESOFT. Enter that 10-digit Supplier ID number in the box (top right) of the Supplier Application form.

The data as entered will remain in an 'unapproved' status within PEOPLESOFT until purchasing is notified and reviews and approves the content.

The requestor then emails supplierintake@sdccd.edu requesting approval by Purchasing. Enter ONLY the supplier name and supplier ID number in the subject line of the email.

Purchasing will review and notify the requestor via email when the supplier is approved.

Thereafter, the requestor may obtain a quote and draft the requisition within PEOPLESOFT, including the now approved supplier (ID).

Purchasing is responsible for reviewing the data entry performed by the requestor and either approving in PEOPLESOFT or sending the data back to the requestor for revision.

The submitted W9 form is also (only) reviewed by Purchasing for completeness. No decision or recommendation is made by Purchasing as to the actual tax status of the named supplier.

A cursory review is then performed by Purchasing as to the W9 content. The purpose of this task is to identify the possibility of the named supplier, individual or named partnership as potentially qualifying for Federal 1099 tax status. Purchasing reviews 1099 supplier status for analysis and determination by A/P staff. Purchasing will notify A/P if a new supplier needs to be TIN matched prior to approval.

For assistance regarding the supplier process, please contact the Purchasing and Contract Services Department at 619-388-6562.

SUPPLIERS

PeopleSoft can be accessed through the District website by selecting the **Employees** tab, and navigating to the **My SDCCD Portal** link. You can also go directly to the link below.

Use the following link: http://myportal.sdccd.edu/

**NOTE: Add this website to your internet favorites for easy access.

To access the **Supplier** database, click on the **NavBar** icon in the top right of the screen. Then click the blue **Navigator** icon and use the following navigation:

Open the **IDENTIFYING INFORMATION** tab and complete all fields marked in **Red** below:

- ❖ **Supplier Name** – Enter the **Business Name** (**alpha only**) from Line 2 of the W-9 form. If Line 2 is blank, enter the Name from Line 1. If both line 1 & 2 are populated, enter line 2 for the Supplier Name and then enter line 1 under Payment/Withholding Alt Names in the Address tab.
  If entering an individual's name, enter the first name, middle initial, and last name with no commas.
- ❖ **Supplier Short Name** – Enter the first 10 characters of the supplier's name, alpha only, **NO SPACES**.
- ❖ **Classification** – Select the appropriate classification for the Supplier. (Note: HCM stands for Human Capital Management and this is selected for Human Resources related suppliers)
- ❖ **Check for Duplicate** – Click this to verify if the supplier is already active in PEOPLESOFT.
- ❖ **Additional ID numbers** – Click on and expand the **Additional ID Numbers** tab to enter the Tax ID.

After establishing the Supplier in People Soft, email supplierintake@sdccd.edu for approval.

**NOTE: <u>Enter ONLY the full name of the supplier as entered in PeopleSoft and the ID number in the subject line of the email.</u>

To make changes to an existing supplier's profile, email a completed **Supplier Intake Form** indicating the changes to supplierintake@sdccd.edu. **All edits to a supplier's profile must be completed by the Purchasing and Contract Services Department.**

The Purchasing and Contract Services Department will review the data entered and send a notification to the requester via email indicating either that the supplier has been approved or whether additional information is needed.

23

Information to gather prior to creating a requisition in PeopleSoft

❖ Campus Business Unit, contact the campus Business Office to identify an approved supplier; for DIS01 Business unit, contact the Purchasing and Contract Services Department to identify an approved supplier.
❖ Formal, valid quote from supplier.
❖ A current valid supplier email address where the purchase order will be dispatched to.
❖ Appropriate chartfield and category code for the expenditure.
❖ Delivery location, end location and departmental contact information.
❖ All documents, such as quotes, pictures, agreements, etc. are in one file for attachment to the requisition
❖ Consultant, Lecture or Performance agreement, if applicable.

Things to Remember

❖ All authorized purchases will have a purchase order issued via PeopleSoft and transmitted (dispatched) to the supplier via email. Purchases made by individuals other than SDCCD Procurement Specialists are unauthorized purchases and may result in the individual being financially responsible for that unauthorized purchase or result in the supplier not receiving payment from SDCCD. The District requires regular purchase orders be issued pursuant to the California Education Code prior to the procurement of materials, supplies or services.

This does not apply to purchases made via approved processes related to CAL-Card usage.

If an unauthorized purchase has been made, contact the Purchasing and Contract Services Department to request the current form to be completed and have t h e f o r m signed by your Campus VPA. This form details the unauthorized purchase and what steps will be taken to ensure only authorized purchases are made going forward. Please refer to **page 79** of the PeopleSoft user Manual for Purchasing and see Board Policy 6330, AP 6330.14.

❖ **BLANKET ORDERS:** Blanket orders are intended for renewals, maintenance service agreements, rentals, professional services, and subscriptions/memberships.

❖ **SHIP TO VS. LOCATION**: **Ship To** is where the goods will be shipped, and **Location** is where the end user is – where the goods will remain.

❖ **CATERING:** All Catering requisitions must use **Category Code 901-00**.

❖ **SHIPPING/FREIGHT:** Add as a separate line item on the purchase requisition. Use **Category Code 962-86** and select **DL** (Dollar) for the **Unit of Measure** on that line. See **page 36** for instructions on how to enter the freight line.

❖ **SALES TAX: DO NOT** add Sales Tax to the purchase requisition; tax will be allocated to the purchase order automatically. Please ensure that the chartfield used has sufficient funds to allocate tax.

❖ **PAYMENT REQUESTS:** Payments for items such as those below $5,000 or less, no longer need to be processed through purchase requisitions but can be requested via online payment request through PeopleSoft with appropriate backup documentation. These payment requests will route through the usual non-travel workflow for the general ledger string being used to cover the cost of the items.

- Subscriptions
- Non-Software licensing
- Membership fees
- Sponsorship/Small Advertising
- Honorarium- one-time lectures
- Fees for Street Fairs/Outreach/Local promos
- Deposits for events which meet the above criteria

❖ **AGREEMENTS**: For our District agreements, please complete all blank fields, and have the campus representative and supplier sign, then attach the agreement to line one of the purchase requisition. When the Procurement Specialist receives the purchase requisition in their queue, they will review the attached agreement. The Procurement Specialist will then forward the agreement to the Purchasing Supervisor for signature. Or, if revisions are needed, the Procurement Specialist will return the agreement to the requester to complete the revisions.

If the agreement document is one provided by the supplier, the supplier may request we sign it first. This is common for documents that originate with the supplier. In this circumstance, a few additional steps may be required. Still attach the agreement to line 1 of the requisition. The Procurement Specialist will review the agreement and forward it to the Purchasing Supervisor who will then either sign the agreement and forward it to the suppler for their signature, or will request revisions from the supplier, if needed. Purchasing will continue to communicate with the supplier until the revisions are completed and the agreement is fully executed. Please note, agreements provided by the supplier almost always require revisions. The process can take time, particularly if the supplier has to forward the revisions to their legal department for review.

In either of the above scenarios, after the revisions are complete, and all signatures are obtained, the Purchasing Supervisor will return the fully executed agreement to the Procurement Specialist so that the purchase order can be processed. The fully executed agreement will be attached to the purchase order when it is dispatched to the supplier.

**NOTE: If there is an agreement that is particularly complex, or if you have questions prior to requisition entry, please feel free to forward the questions to the Procurement Specialist at any time.

❖ **VEHICLES:** When entering a requisition for a vehicle, including utility carts, trailers, and any vehicle that will be used on a public road, ensure the following language is included. Also note, all utility vehicles must be properly equipped to be street legal. The suppliers will know what equipment is required, but includes horn, seat belts, brakes, lights and license plates.

PLEASE CONTACT OUR DISTRICT'S CENTRAL RECEIVING DEPARTMENT AT LEAST 24-HOURS IN ADVANCE TO COORDINATE DELIVERY AND INSPECTION. THE VEHICLES MUST BE DELIVERED TO CENTRAL RECEIVING FOR INSPECTION AND ACCEPTANCE.

CENTRAL RECEIVING:
619-388-1180
9315 HILLERY DRIVE
SAN DIEGO, CA 92126

THE BILL OF SALE AND CERTIFICATE OF ORIGIN (MSO) MUST BE PROVIDED AT TIME OF DELIVERY.

THE SAN DIEGO COMMUNITY COLLEGE DISTRICT WILL REGISTER THE VEHICLES WITH DMV AS CALIFORNIA EXEMPT.

THE VEHICLES MUST BE DELIVERED WITH A FULL TANK OF GAS/FULL CHARGE AND ONE SPARE KEY.

A PURCHASE ORDER WILL BE ISSUED FOR THE VEHICLES REFLECTING NET-30 TERMS AND INVOICING INSTRUCTIONS. PAYMENT WILL NOT BE MADE UPON DELIVERY.
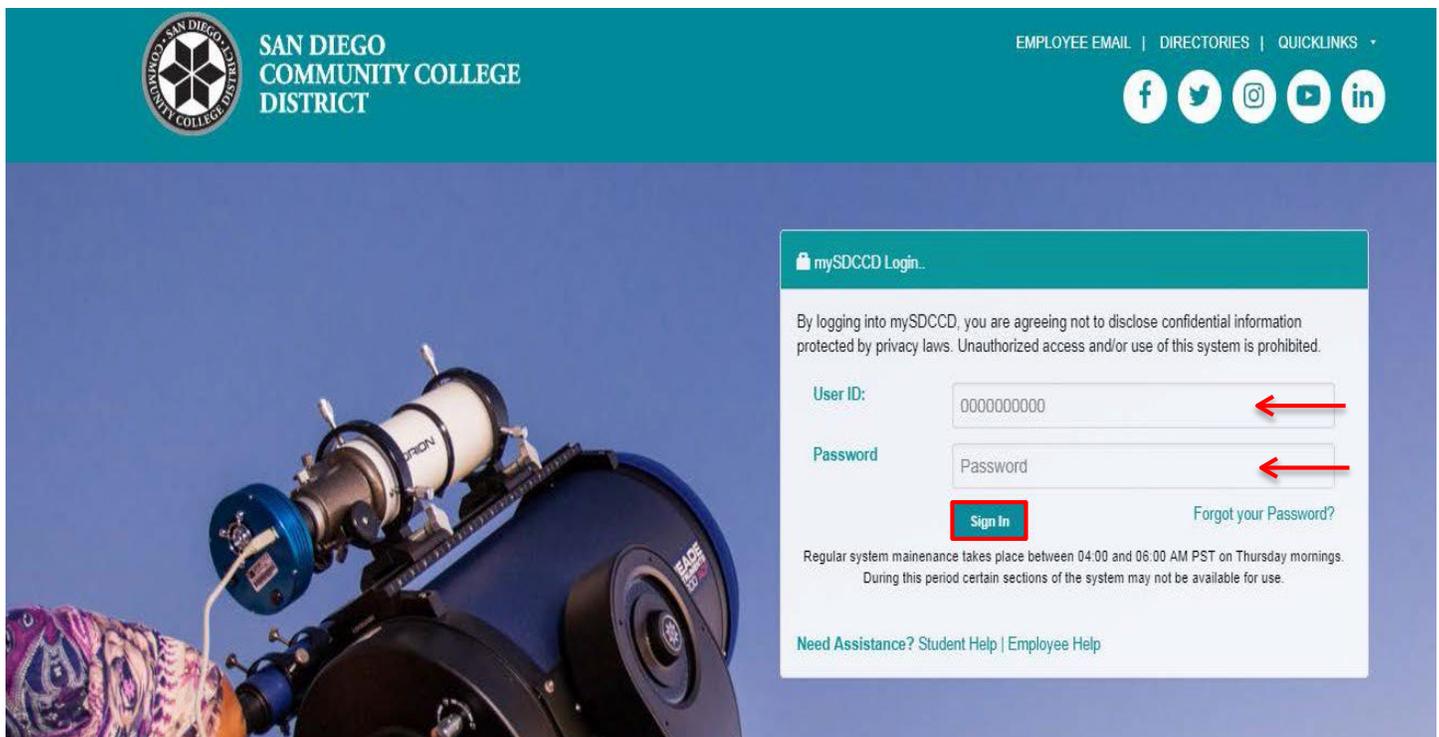

REQUISITIONS

This Requisition Manual explains how to enter each component of a requisition, and how they relate to each other. In PeopleSoft, requisitions consist of four components:

- ❖ **HEADER** – Where general information pertaining to the entire order is stored and displayed. This includes data such as the suggested Supplier, Procurement Specialist, Ship-To, and Due Date.
- ❖ **LINES** – Where the description, unit of measure, category, and quantity for each item you are ordering.
- ❖ **SCHEDULE** – Where the due date, ship to address, and unit price are stored for each item on the order.
- ❖ **DISTRIBUTION** – Where the accounting information (i.e., the general ledger chartfield string) is entered.

PeopleSoft through can be accessed through the District website by selecting the **Employees** tab, and then navigating to the **PeopleSoft My Portal** link. You can also go directly to the link below.

Use the following link: http://myportal.sdccd.edu/

**NOTE: Add this website to your internet favorites for easy access.

To access the **Create Requisition** screen, click on the Finance Dashboard icon.

To access **Create Requisitions**, click on the **NavBar** icon 🔵 in the top right of the screen, then click the blue **Navigator** icon and use the following navigation:

❖ **Financials 9.2 > eProcurement > Requisition**
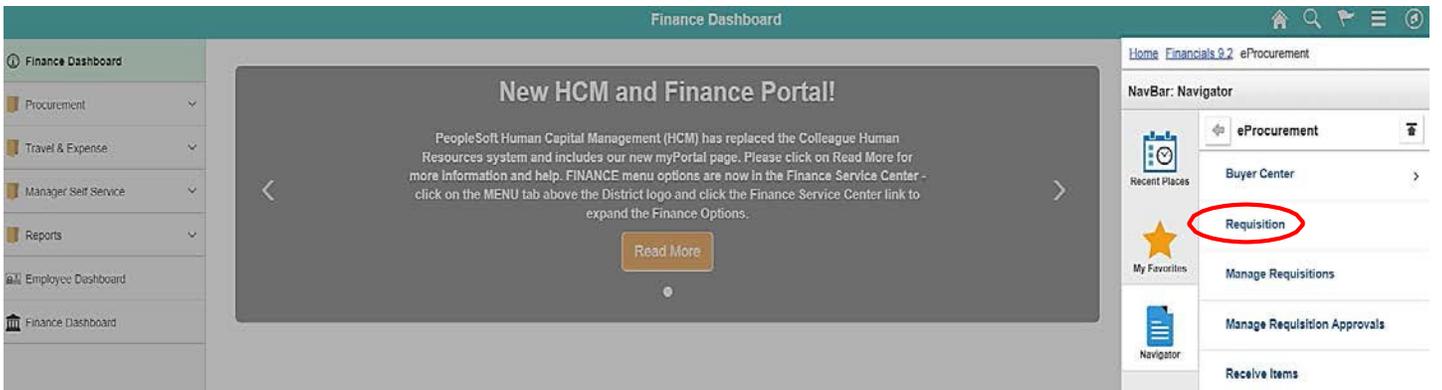

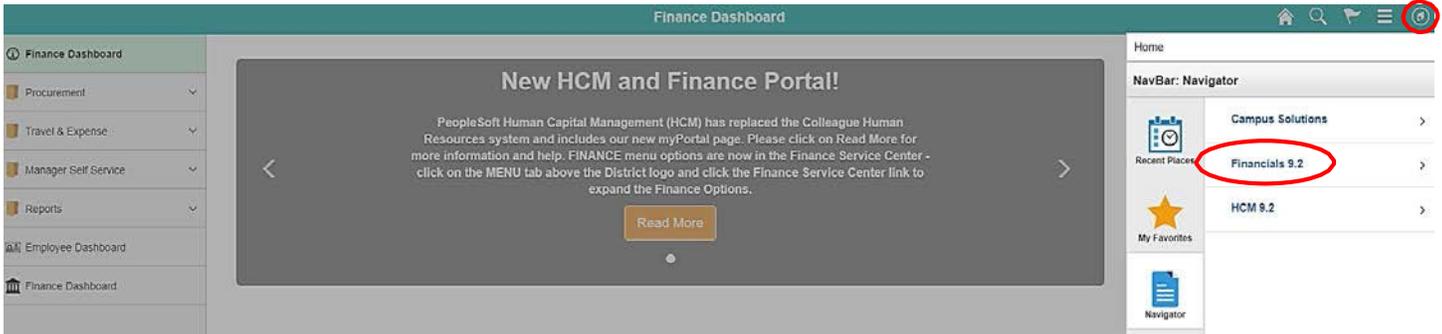

An alternative navigation to access the **Create a Requisition** screen is as follows:

❖ **Finance Dashboard > Procurement > Create a Requisition**

Below is the **Requisition Settings** page where all the information contained in the requisition header is entered. Complete all fields marked in **RED**, except for the Procurement Specialists as they no longer will be assigned by location, now they will be assigned by category code. See details for each field below.

Select   Cancel

29

On the following screen, select the appropriate **Supplier ID** number from the menu and click **Select**.

Next, indicate the **Category** which best defines the items that are being ordered. For a list of **Category Codes,** refer to **pages 76-78**.

❖ **Category** – Click the magnifying glass and enter a **Category** number or to search by description, click **Description** and enter a key word to search for the appropriate code.

Double click on the correct **category number** to select the category code.

NOTE: Contact the Purchasing Department for issues selecting a Supplier Location.

- ❖ **Supplier Location** – Click on the magnifying glass to select the current supplier address.
- ❖ **Unit of Measure** – Click on the magnifying glass to select the appropriate unit of measure

Select **DL** (Dollar) for freight. See **page 36** for instructions.

All Procurement Specialists are assigned by Category Code. End users will enter a category code and the system will route to the Procurement Specialist based on the code. The Procurement Specialist field should be left blank.

Please refer to **page 76** for the list of category codes.

If you know the **Ship To** location, enter the information into the **Ship To** field. To search for the Ship To location, click the magnifying glass to **Look up** and select a **Ship To** location.

NOTE: Orders should be shipped to **Receiving at the respective campus **Stockroom/Distribution Center**. **DO NOT** use **DIS** for orders. All computers, with the exception of Mesa and Miramar, should be shipped to the Central Distribution Center using **Ship To Location DISCDC0100**. DO NOT SHIP TO YOUR HOME ADDRESS!

In the **Attention** field, indicate the name of the point of contact for the order and the building/room number.

Next, enter the **Accounting Defaults** under the **Chartfields1 field**. On this tab, you will need to do the following:

❖ Select the end **Location** where the items will be located once received. This is needed both for inventory purposes and delivery by receiving.

❖ Define the **Chartfields** where items are to be expensed. Include the **GL Unit, Fund, Dept, Product and Account.** If CE, also include the **Operating Unit**.

On the **Special Requests** screen, appropriate information will need to be entered for each line of the requisition. All fields marked in **<u>RED</u>** below need to be completed:

- ❖ **Item Description** – Please follow the **ARMA Rule** which is: **Noun, Description, Manufacturer, and Model/Product Number**. The noun is always first, followed by the description, manufacturer if applicable, and the model or product number as entered below. Only 35 characters will fit on this line. Include all remaining description details in the **Additional Information** box. See **pages 74-75** for information on **ARMA Rules.**
- ❖ Enter the **Price**, **Quantity**, and **Unit of Measure**.
- ❖ Enter the correct **Category** code for each line item being entered.
- ❖ Check all three "**Send to**" and "**Show at**" boxes.

NOTE: Freight – See **page 36 for instruction on how to enter a separate line for freight.

When each line is completed, click on **Add to Cart** at the bottom of the screen. Note that there is a maximum of **50 line items** that can be entered per requisition.

**NOTE: For BLANKET requisitions, see pages 37 & 38, if not a BLANKET, skip pages 37 & 38.

Blanket requisitions are intended for renewals, maintenance service agreements, professional services, rentals, and subscriptions/membershiPeopleSoft. Use the appropriate templates. See pages 73-75.

On the **Create Requisition** screen, appropriate information will need to be entered for the Blanket PO. All fields marked in **RED** below need to be completed:

- ❖ **Item Description** – Enter **BLANKET ORDER** only
  Include appropriate template and all remaining description details in the **Additional Information box.**
- ❖ **Price** – Enter the price.
- ❖ **Quantity** – Enter a Quantity of 1.
- ❖ **Category** – Check if the category defaulted, if not, re-enter the Category Code.
- ❖ **Additional Information** – Use the appropriate template and include a description of the services, term of agreement, department and point of contact.
- ❖ Check all three "**Send to**" and "**Show at**" boxes.

When complete, click on **Add to Cart** at the bottom of the screen. Then click on **Checkout** at the top of the screen to be directed to the **Checkout Review and Submit** screen

Requisition   Approvals   Inventory   Purchase Orders   Change Request   Receiving   Returns   Invoice   Payment

Below are the next steps in the workflow process after a requisition has been submitted:

❖ **APPROVALS:** The purchase requisition will move through the workflow approval process. If the purchase requisition is denied it will be routed back to the end user for corrections and/or additional information. If the purchase requisition is approved by all approvers, it will then be routed directly to the Procurement Specialist.

❖ **PURCHASE ORDERS:** The Procurement Specialist will review the requisition for accuracy. If all is correct, the Procurement Specialist will process the purchase requisition and dispatch a purchase order. Purchase orders are dispatched directly to the supplier via the email address in PeopleSoft. If the purchase requisition is denied, it will be routed back to the end user for corrections and/or additional information.

❖ **CHANGE ORDERS:** Changes that need to be made to a purchase order after it has been dispatched to the supplier, will require a change order. Change orders must be initiated by the end-user at the purchase requisition level. This allows for review and workflow approvals. Once approved, the purchase order will then be updated and sent back to the supplier via email. Please refer to the step-by-step tutorial for end users regarding the **Change Orders** process that starts on **page 45** of this manual.

❖ **RECEIVING:** End users should not accept deliveries; instead, re-route the suppliers to the Stockroom/Distribution Center so the ordered items can be received into PeopleSoft. District Office, DSC, and Continuing Education receiving needs to be processed through the Distribution Center as well. **DO NOT SHIP ANYTING TO YOUR HOME ADDRESS.**

As a reminder, end users are **NOT** to receive items in PeopleSoft. If the item(s) were delivered directly to the end user, then the end user will need to contact the appropriate Stock Room/Central Distribution Center within **48 hours of receipt of goods** to notify them that the order has been received.

All tangible items must be received in PeopleSoft. If goods are not received in PeopleSoft, this will cause a Match Exception at invoicing and could potentially delay payment to the supplier until the match exception is resolved.

Receiving Contacts Per Location:

LOCATION	CONTACT	PHONE	EMAIL
District Office / Continuing Ed	Gary Waldrop / Ernie Ueckert	619-388-1180	distributioncenter@sdccd.edu
Miramar College	Stanley Herivaux	619-388-7445 619-388-7819	sherivaux@sdccd.edu
Mesa College	Frank Fernandez	619-388-2761	ffernandez@sdccd.edu
City College	Eddie Michael Jr.	619-388-3258	emichel001@sdccd.edu

❖ **RETURNS:** See Return & Exchanges Board Policy AP 6330.16. If you need further assistance, contact the Stockroom/Distribution Center or contact the appropriate Procurement Specialist.

❖ **INVOICE:** All invoices should be submitted directly to the Accounts Payable Department. Once received, Accounts Payable will process the invoice.

❖ **PAYMENT**: All supplier payments are processed by Accounts Payable. For questions regarding supplier payments, please contact the **Accounts Payable Department** at **619-388-6554.**

CHANGE ORDERS

The **Change Order** process is used when a purchase order has been created and something changes (price increase/decrease, qty., item(s) are no longer available, etc.). All changes to a purchase order must be initiated by the end-user at the purchase requisition level. This allows for review and workflow approvals. Once approved and processed, the purchase order will then be updated and emailed back to the supplier.

**NOTE: A change order cannot be completed if an active voucher is linked to the purchase order, or if the budget status is not valid.

Below are the stePeopleSoft to process a change order for any purchase order that has not been received. If the purchase order has been received, the end user will need to request from their respective **Receiving Department** to have the purchase order "un-received" until the change has been processed. Once the change is complete, it is the end user's responsibility to notify receivers to re-receive the purchase order in PeopleSoft.

❖   **Finance Dashboard > Procurement > Manage**

NOTE: To search for a purchase order or purchase requisition that needs to be edited, the Business Unit and either the Requisition ID or the PO ID fields MUST be populated.

Enter the information in the fields marked in **<u>RED</u>** below and click **Search**.

PAYMENT TERMS FOR GOODS AND SERVICES PROVIDED TO THE SAN DIEGO COMMUNITY COLLEGE DISTRICT ARE NET 30. PAYMENT IS MADE FOLLOWING DELIVERY OF GOODS OR COMPLETION OF SERVICE AND RECEIPT OF AN ACCURATE AND COMPLETE INVOICE SUBMITTED IN ACCORDANCE WITH THE PURCHASE ORDER.

ARMA RULES

The **ARMA format will be required** to approve requisitions and dispatch purchase orders for consistency and clarity of receiving. To ensure that your orders are processed, please follow these formatting rules:

ARMA Item Description: Noun, Description, Manufacturer (if applicable), Model/Product Number

1. The NOUN is always FIRST, followed by the description, then the manufacturer if applicable, and finally the model or product number.

   Example A: TYPEWRITER, ELECTRIC, IBM, MODEL 8533

   Example B: BOOK, ENGLISH FOR EVERYONE, ISBN 0-123-456-78 – (Note: Publishers rarely look at the title when filling orders. So it's very important to have the ISBN number correct.)

   Example C: CONSULTANT SERVICES, FOR GRANT WRITING Equipment

2. When purchasing equipment, all options, components, and enhancements should be bundled with the equipment. However, separate operating pieces of equipment which may function independently of the equipment, should be separated (its own line item).

   EXAMPLES:

A. COMPUTER, SDCCD Q87M-E/CSM MT BASE SYSTEM MATX BLK
   3EA $710.00 EA $2,130.00
   031206 INWIN CASE Z589T.E350TBL USB 3.0 MATX 80+ 350W 3 $0.00 EA $0.00

STATUS DEFINITIONS

Purchase Orders (PO)	
Initial	A PO has a status of *Initial* when it is first added to the system. This status may change once a Procurement Specialist is selected in the PO, depending upon how the Procurement
Open	If the Procurement Specialist is set up with this Default PO Status, an initial PO will become *Open*. A Template PO may always have an *Open* status. A PO with this status cannot be
Pending Approval	A PO cannot be budget checked or entered into the approval process until it is in *Pending Approval* status. There is a checkmark that shows on *Open* POs that can be clicked to change the status to "*Pend Appr*."
Approved	When the workflow approval process is complete, the PO status changes from *Pending Approval* to *Approved*. After the PO is approved, any change in amount or ChartFields causes the system to return the PO status back to *Pending Approval*. *Approved* POs are available for the PO Dispatch/Print process.
Dispatched	If the PO has been approved and has a valid budget status, the PO status changes from *Approved* to *Dispatched*.
Canceled	Canceling an entire PO before it has been dispatched changes the status to *Canceled*. Canceling cannot be reversed.
Pending Cancel	Canceling a dispatched PO changes, the status to *Pending Cancel*. The PO must be re-dispatched and budget-checked to move the status from *Pending Cancel* to *Canceled*.
Complete	Running the Close Purchase Orders process changes the status to *Complete*.

Approval Status	
Initial	The status of any PO or requisition when first brought into the "Approve Amounts" process.
In Process	If the requester or Procurement Specialist cannot give full approval of a requisition or PO, the status of *In Process* shows after the initial approval is saved.
Complete	The requisition or PO receives a *Complete* approval status after the final approval has been done. These three approval statuses will only show in the Approve Amounts screen.

Purchase Requisitions	
Open	The *Open* status displays by default from the requester. This status may change once a requester is selected, depending upon how the requester is set up.
Pending Approval	The purchase requisition is not eligible for the approval process until an authorized user changes this status to *Pending*. This may be done by pulling in the requester or clicking the "Open" checkmark to change the status to *Pending*.
Approved	The purchase requisition has been fully approved.
Line Approved	This status means that one or more purchase requisition lines have been approved.
Denied	The purchase requisition has been denied by the Approver.
Canceled	The purchase requisition was canceled on the header.
Complete	Running the Close Requisitions process changes the status to *Complete*.

Receipts	
Open	Not all edits have passed. If any receipt lines have a status of *Open*, the receipt header has a status of *Open*.
Received	When all lines are in *Received* or *Canceled* status, the receipt header will have a status of *Received*.
Hold	Receipt is on *Hold* until released by user. This status may be used when items are received damaged.
Moved	This status occurs when the receipt has been interfaced with Asset Management or Inventory in PeopleSoft.
Closed	All interface requirements have been fulfilled and no further processing is required. Running the Close Receipts process changes the status to *Closed*.
Canceled	The receipt has been *Canceled* on the header; the lines will go to a *Canceled* status as well. Canceling cannot be reversed.

Budget Status	
Not Chk"d	(*Not Checked*) – Either the document has not been budget checked or the budget checking process failed. This can happen for reasons other than the accounting information being incorrect.
Valid	The purchase order or purchase requisition has been successfully budget checked.
Error	The document has failed to budget check because of an error in the distribution information.
