RE: Notice of Intent to Award Round Two – English Language Learner Healthcare Vocational Pathways Funding

This memorandum is a formal notification of the intent to award for the English Language Learner (ELL) Healthcare Vocational Pathways funding by the Chancellor's Office Workforce and Economic Development Division.

The Chancellor's Office, in partnership with the California Department of Education, invited eligible California Adult Education Program (CAEP) consortia to apply for the Round Two ELL Healthcare Vocational Pathways [Letter of Intent](#) funding solicitation. Under the Governor's Care Economy Workforce Development Package, the Budget Act of 2022-2023 included a one-time appropriation of Proposition 98 funds to support healthcare-focused vocational pathways for English language learners (ELLs) across all levels of English proficiency – including bridge programs - as part of CAEP, while addressing regional economic healthcare needs.

Grant Awards

Outlined in Table 1 are grant awards sorted by region, consortium, and award amount.

Next Steps

Chancellor's Office staff may contact institutions receiving funding to request clarifications, adjustments, and/or modifications to the proposal and/or the budget.

For questions regarding the ELL Healthcare Pathways awards, please contact the Chancellor's Office CAEP Helpdesk at CAEP@CCCCO.edu.
