SAN DIEGO MIRAMAR COLLEGE

**San Diego Miramar College
Academic Senate
Adjunct Orientation**

2024-25 Academic Year

Who are we?

The **Academic Senate (AS)** is a faculty organization whose primary function is to make recommendations to the **Board of Trustees** on **10+1** aka “academic and professional matters.” (*Title 5, Section 53200*)

The Academic Senate is composed of **Senators** who represent all Departments on campus (1 senator for every 4 contract faculty in a department; 7 adjunct senators represent adjunct faculty).

A Senator takes info back to the faculty they represent, deliberates and discusses, and then comes back to the Academic Senate carrying their suggestions, questions, and recommendations.

What is 10+1?

1. Curriculum, including establishing prerequisites
2. Degree and certificate requirements
3. Grading policies
4. Educational program development
5. Standards or policies regarding student preparation and success
6. College governance structures, as related to faculty roles
7. Faculty roles and involvement in accreditation processes.
8. Policies for faculty professional development activities
9. Processes for program review
10. Processes for institutional planning and budget development
11. Other academic and professional matters as mutually agreed upon

Collegial Consultation

Collegial consultation means that the district governing board shall develop policies on academic and professional matters through either or both of the following:

1. Rely primarily upon the advice & judgment of the Academic Senate.
2. Reach mutual agreement with the Academic Senate by written resolution, regulation, or policy.

Note: Consultation at Miramar is with the College President, as they are the designated representative of the Board of Trustees (BOT) in our district.

What are we committed to?

Miramar's Academic Senate is committed to **openness, transparency,** and **public access to information** and will therefore ...

- Follow the **Brown Act**
 - Publicly post notice of meeting 72 hours prior.
 - Include information on place, time, and agenda items with brief descriptions.
 - Record all motions and votes for public record.

What are we committed to?

Miramar's Academic Senate is committed to **openness, transparency,** and **public access to information** and will therefore ...

- Follow **Robert's Rules of Order**
 - Balance discussion and debate with decision making.
 - Do our best to maintain fair processes in whatever modality or environment we meet.

What are we committed to?

Miramar's Academic Senate is committed to **openness, transparency,** and **public access to information** and will therefore ...

- Honor the **Code of Conduct**
 - Operate as an open venue for all ideas, thoughts, and personal perspectives, with consideration for the boundaries established in the Code of Conduct
 - Remember that your personal interests and valued agenda items may or may not be the same as others in the Senate, and all have the right to be treated respectfully.
 - Embrace the spirit of diversity and inclusion.

Committee Work

Adjunct faculty can be paid for their committee work.

- Learn how to volunteer for a committee on the [Committee on Committees \(ConC\) website](#).
- To be paid, you must complete the “[SDCCD & AFT Adjunct Shared Governance Process Guidelines](#).”

STUDENT SERVICES

Spring 2025 Class Roster Changes

Potential Fraud Students Identified:

A new column (S40 Hold) has been added to the class roster, allowing faculty to identify students flagged for possible fraud. This enables faculty to proactively engage with these students to confirm they are an authentic student participating in the online class and assist them in resolving the issue by directing them to contact the office outlined in their SDCCD - Supplemental Verification email, usually you can send students to the Admissions Office, but if there is also a FED indicator on the student, then direct them to the Financial Aid Office.

If a student in your class has an S40 and there is no participation nor any communication from that student, it is quite likely that the student should be dropped prior to Census to allow room for a waitlisted student into the class.

Last Known Academic Activity (LKAA):

To maintain accurate reporting for Federal guidelines for both Veterans and Financial Aid recipients, a new Last Known Academic Activity page has been developed. Since these values need to be reported for these specific students, indicated by the FED indicator on the roster, a single page has been created to capture the date for both Class Roster and Grade Roster dates.

A Job Aid has been created and uploaded onto the mySDCCD Info Hub: [Entering Last Known Academic Activity \(LKAA\) When Dropping/Reinstating Students](#)

OFFICIAL GRADE AND ATTENDANCE ROSTER

The Official Grade and Attendance Roster, located in Faculty Portal, is the permanent record of attendance for all students registered in regular college classes.

Important: Rosters are legal documents that may be subpoenaed by the court.

Whose responsibility is it to drop?

Faculty are required to clear rosters of inactive enrollment by the census date. The census date is the “snapshot” the State uses for funding purposes. It's calculated at approximately 20% of the class meetings.

Note: Faculty must submit drops no later than noon the day of census.

To comply with the Department of Veterans Affairs reporting requirements, faculty must report drops/withdrawals within 22 calendar days from the student's last known academic activity.

OFFICIAL GRADE AND ATTENDANCE ROSTER

When are grades due?

The online grade sheet is available one week prior to the class end date. The deadline to submit grades is seven calendar days following the end of the session.

Having trouble navigating the system?

Check out the "Help and Support" link, located in the lower right corner of your Faculty Portal.

Board Policy 5500 Violations

- **BP 5500** - STUDENT RIGHTS, RESPONSIBILITIES, CAMPUS SAFETY AND ADMINISTRATIVE DUE PROCESS
- This policy outlines the rights and responsibilities of all District Students.
- It also outlines the District's commitment to a safe learning environment for all students

Cheryl Barnard

Dean of Student Affairs
cbarnard@sdccd.edu

STUDENT SERVICES

What do I do when a student cheats or plagiarizes?

- If there is an incident of academic dishonesty, collect evidence. Meet with the student and share the evidence. If student accepts responsibility, faculty needs to determine appropriate academic sanction (lowering of grade, zero given on assignment/test, re-do work or re-take exam).
- Complete the Faculty Academic Sanction Form (found under employee resources). Send a copy to Department Chair, Dean of the School and Dean of Student Affairs.
- If incident involves more than one student and/or is severe in nature, consider referring the incident to the Dean of Student Affairs by submitting an Incident Report form (found under employee resources).

Cheryl Barnard

Dean of Student Affairs
cbarnard@sdccd.edu

STUDENT SERVICES

What do I do when a student disrupts the classroom and discipline is required?

- Fill out the [Removal of Disruptive Student](#) Form & provide to Dean of Student Affairs immediately.
- You may remove the student for up to 2 class sessions for classes that meet 2 times per week, and 1 class session for a class that meets once a week.
- If the level of disruption is severe enough and there is a level of threat, call **Police Dispatch at (619-388-6405)**

Cheryl Barnard

Dean of Student Affairs
cbarnard@sdccd.edu

STUDENT SERVICES

What do I do if I have a concern about a student's well-being?

- The College has a Behavioral Intervention Team which meets twice a month
- This inter-disciplinary team meets to review and respond to reports of student behavior that are concerning and at the present time do not meet the criteria for a student conduct violation or an immediate threat to the community (immediate threat call College Dispatch **X6405**)
- Contact Student Affairs or complete form on the BIT Webpage
