LEADING TO SUCCESS CONTINUED

Graduation vs Commencement

sdmiramar.edu/services/graduation/steps-to-graduate

Graduation requires completing degree requirements, meeting with a counselor, and petitioning through the mySDCCD portal. Commencement celebrates those who have or will complete their requirements. Students must apply to graduate before semester ends, following deadlines to avoid delays.

Honors Program

sdmiramar.edu/services/honors

I-107

(English Building)

The Honors Program provides highly motivated students with an enriched academic experience. Students can enroll in dedicated Honors courses or complete Honors contracts within non-Honors sections. Both options earn the same “Honors” designation on transcripts, recognizing their advanced coursework.

Stay on track with Milestones to Graduation

sdmiramar.edu/pathways/milestones-to-graduation

Each semester brings key steps toward your goals. Start by exploring majors, securing support, and joining an Academic & Career Program (ACP). Next, build a strong network, use academic resources, and plan your coursework. In your third semester, focus on career prep, internships, and transfer applications. Finally, confirm graduation requirements, apply for commencement, and complete transfer steps. Stay proactive and make the most of your time at Miramar!
