OUR *Equity* HISTORY **STORY**

Equity is how we
live out our mission.

JOIN US

Thursday, April 10, 2025
12:45 PM – 2:00 PM
L-108

Join us for our working lunch where we will contribute to the writing of our equity history at Miramar College. Learn about the 2025-2028 Equity Plan and how you can contribute to student success.
No RSVP required.

The Equity Plan isn't a plan; **it's a movement!**

What is a Campus Equity History?
Rather than an audit or assessment, a campus equity history is an inventory of equity programs, services, and initiatives.

How can I Contribute?
We will share a draft of our equity story, data highlights, and reflection questions to guide you in this activity.

Why is this important?
Your voice matters as we develop our 2025-2028 Student Equity Plan! It's essential to consider past efforts to understand and plan for the next frontier in racial equity work.

3. Land Acknowledgment

We recognize that San Diego Miramar College sits on the ancestral homeland of the Kumeyaay people, who have lived in this area for well over 10,000 years, and we honor their past, present, and future connection to this land and its inherent connection to their identity.

We acknowledge our occupation of unceded Kumeyaay land and the violent systemic injustices this has continuously perpetuated for Native peoples of this region. We pay respect to the Indigenous people of San Diego County - past, present, and future - and honor their continuing presence in their homeland and their spiritual beliefs that land does not belong to people; people belong to land.

We also acknowledge that this is merely the beginning, and there is far more work to be done in an attempt to heal all of the injustices and inequities that still exist today and throughout their entire historical diaspora. Hopefully we can find a way to move forward together.

KUMEYAAY MAP

The above Mike Connolly historical "Kumeyaay Lands 1769-2000" map picture details the 2005 Indigenous California Indian tribes of the greater Southern California area and northern Baja California, Mexico, the Native American Indian reservations, and contrasts them with the Indigenous Kumeyaay territory of 1769 (gray area).
