SDMC Academic Senate Resource Document 5/6/25

This document includes materials related to Miramar, SDCCD, and ASCCC and more. It's designed to help Senators be more aware of the issues that affect faculty and to aid in their reports to their constituents. There are two sections: the first includes details from A.S. Exec reports and the second is a list of things we would like to pass on to you (from our colleagues, the AFT, the ASCCC, etc.). This document is by no means exhaustive! If you would like to include something on a future list, please send me an email with a short little blurb and/or links to more information and I'll do so. If you have questions that aren't addressed in today's meeting or in this report, please contact me. I'm available for further discussion via email, face-to-face, or Zoom meetings. You can also invite me to your department meetings. Senators are invited to complete the A.S. Anonymous Feedback Form.
