We assist with **EMT** Form 1B or CDC Form 1A (for Child Development) or other course needs. We review immunization records for coursework. We review our forms and share what vaccines may be missing. Due to the fact that vaccines that can be costly, students may prefer to visit their own primary care provider. Health Services does offer vaccines at a cost. We encourage all students to use us for a free document review and tips for locating vaccinations including the state web site, prior to spending money on immunizations that may not be needed.

For more information call 619-388-7881 or email your questions to the above office email. Response time is generally same or next day.
