## 2025-2026 SUBSIDIZED DIRECT STUDENT LOAN INSTRUCTIONS

As a financial aid student, or a parent of a student applying for a PLUS Loan, you have made the decision to apply for a Federal Student Loan. The application process requires you to complete three main steps:

- ☐ Complete the Student Loan Entrance Counseling Requirement online.
- ☐ Sign the electronic Master Promissory Note (MPN) online.
- ☐ Submit a physical copy of the Subsidized Direct Student Loan Application to the Financial Aid Office.

### ABOUT THE ENTRANCE COUNSELING SESSION

<https://studentaid.gov/entrance-counseling/>

Entrance counseling ensures you understand the terms and conditions of your loan and your rights and responsibilities. You'll learn what a loan is, how interest works, your options for repayment, and how to avoid delinquency and default.

Entrance Counseling takes about 30 minutes to complete and it must be completed in a single session. When you're finished, a record of your completion will be sent to the schools you selected, and you can then receive your loan money. Keep in mind that you cannot save and leave an incomplete session; you must complete entrance counseling in one sitting.

### ABOUT THE MASTER PROMISSORY NOTE (MPN)

<https://studentaid.gov/mpn/>

The Master Promissory Note (MPN) is a legal document in which you promise to repay your loan(s) and any accrued interest and fees to the U.S. Department of Education. It also explains the terms and conditions of your loan(s).

You may receive more than one loan under an MPN over a period of up to 10 years to pay for your or your child's educational costs, as long as the school is authorized to use the MPN in this way and chooses to do so.

The MPN can be signed at any time. However, you will not be considered for a student loan until you have completed the Entrance Counseling Session, signed the Master Promissory Note (MPN), and submitted a physical copy of the Subsidized Direct Loan Student Loan Application Form.

The process to complete an MPN is easy and user-friendly. Most people complete the MPN in less than 30 minutes. The entire MPN process must be completed in a single session. If you stop the process before completing all MPN steps, you will have to start from the beginning with step #1. Once you have completed all the steps, keep a copy of your MPN (for your records), the U.S. Department of Education will update their database and send a digital acknowledgement notification to San Diego Miramar College Financial Aid Office. If you choose to request a paper MPN, the US Department of Education will print and send you a copy of your MPN which you will return to them via the U.S. Postal Service.

### ABOUT THE LOAN APPLICATION

The loan application includes 2 pages and must be signed with a wet signature (no digital signatures allowed). Students can submit their completed loan applications in person at the Financial Aid Office, or by uploading through the school system at <https://mysdccd.atlassian.net/servicedesk/customer/portal/4/group/73/create/75>.

Once the Financial Aid Office can verify your loan eligibility, the loan request must also be processed and accepted by the US Department of Education. Provided that you meet all other conditions, time frames, loan eligibility requirements and if needed, having an Appeal Form approved, your loan funds will be disbursed as scheduled.
