Our Ask: vote of approval for website space to house campus sustainability information

- **Documents:** Leaf class list, sustainability resource map, checklist for sustainable practices, sustainability syllabus statement, climate action plan
- **Vernal Pools Information:** Vernal Pools signage links, on-going research, and bi-annual clean-up information
- **Native Plant Walk:** Native Plant Walk showcasing 26 plants around campus
- **Leaf Program:** Information and guidance on implementing sustainability into courses at Miramar
- **Sustainability Committee & Club Information:** How to get involved in sustainability on Campus

*We would like to see Sustainability under the Campus Information dropdown on the Miramar Homepage or as a college initiative
