TRANSPORTATION

The MTS Transit Center allows students from all around San Diego to have access to our campus. For students who drive to campus, there are several parking lots and two structures to choose from.

Bus & Trolley Passes

Students who are enrolled in a minimum of 7 college units may purchase a monthly bus and trolley pass. The monthly bus and trolley passes are available at the Miramar Accounting office.

Access Via Car

Parking permits **are required** to park in all student lots. Student parking permits are available for purchase during registration on the mySDCCD portal. The parking permits are enforced via license plates.

Hourly and all-day parking permits may be purchased at the parking permit machines.

For more information on permit and pass fees and requirements, please visit the [Student Accounting Office](#) or email them directly at mmaracctgsdccd.edu.

Parking Lot & Structure Locations

Students with proper parking permits are allowed to park at any of our on-campus parking lots or structures. There are currently 3 lots and 2 structures (garages) found on the north and south side of campus. Please see the map below for additional details.

Street parking may be available in the local areas as well. Please follow property guidelines if you choose to park on a site off-campus.

COLLEGE TERMS TO KNOW

College lingo can feel a little overwhelming, so let's go over some common terms and definitions. These terms will provide a better idea of what you may encounter throughout your journey at Miramar College.

Add a Class

After submitting an application, you will receive an appointment each semester to register for your classes.

Add Code/ Permission number

A 6-digit code issued by the professor to add a desired class on or after the start of the semester/session or for a restricted class. It is processed by the student through the mySDCCD portal prior to the add deadline.

Advisories

Departmental recommendations to be completed prior to enrolling in the course. This does not prevent a student from enrolling in a class.

California Dream Act

Application to apply for financial aid for undocumented and non-resident students. Awards may consist of state and private-funded loans and scholarships.

Canvas

A platform used by SDCCD to provide online classes at all campuses. Use your 10-Digit Student ID and your date of birth to login. Courses appear on the dashboard the first day of class.

Certificate of Achievement/ Performance

Awarded for the completion of the core requirements in vocational majors.

Certificates do not require completion of general education or district requirements.

Closed Class

The class is closed to further enrollment when a course has reached the maximum capacity of student registration.

Class Number (CN)

The 5-Digit course number that identifies each class section for the semester. Required for registration.

Crash a Class

A method of adding a closed class to your schedule after the semester has started by attending the class during the add period and obtaining an add code/permission number from the instructor.

Corequisites

Courses that are required to be taken the same semester as another course.

Drop a Class

You may officially drop a class through mySDCCD portal. A dropped class will not be reflected on an official transcript if dropped before deadline.

Full-Time vs. Part-time Student

A full-time student is enrolled in at least 12 units in a semester. A part-time student is enrolled in less than 12 units.

Free Application for Federal Student Aid (FAFSA)

Application to apply for financial aid for U.S. citizens. Awards may consist of grants, work-study, loans and scholarships.

● COLLEGE TERMS TO KNOW – CONT.

Intersegmental General Education Transfer Curriculum (IGETC)

A general education pattern that will fulfill all lower-division general education requirements at all CSU campuses and most UC campuses.

Loan vs. Grant

Both are forms of financial aid that can be used to pay for tuition, books, and other school related expenses.

The difference: A loan is money that you must pay back. A grant is free money that you do not have to pay back.

Major

A pattern of courses within a specific area of study. Majors for the Associate degree require a minimum of 18 units.

MySDCCD Portal

The SDCCD Portal is the platform where students view registration date/time, enroll for classes, view payments, and find important deadlines. Allows access to the student's personal student database.

Prerequisites

Courses that must be completed with a "C" or better prior to registration in a specific course.

Tuition/Enrollment Fees

Cost per unit a student is enrolled in, this does not include books or supplies. This is different for in-state residents and out-of-state students.

Withdrawal

Occurs when a student drops a course after the drop deadline. You must officially withdraw through SDCCD prior to the withdrawal deadline. Withdrawals will be reflected on your official transcript with a 'W.'

ENROLLMENT STEPS — FREQUENTLY ASKED QUESTIONS

STEP 1 — Apply

What is CCCApply?

An admissions application site for California Community Colleges, where students need to complete an account in order to complete the college application.

Does Miramar College provide a college email account?

Yes. Starting June 28th, 2023, student will be able to receive a college email address. In order to receive a college email address, You, the student, will need to register in at least 1 unit. Around 2 hours after registering, you will receive an email about it in your personal email address' inbox.

How do I know if I submitted an application?

Please search your email inbox (and spam) for the SDCCD welcome email. If you can't find the email you may have not submitted one. You can also follow up with the [Admissions Office](#) for more information.

How do I recover my college ID number?

Go to the [mySDCCD Support Desk](#), select the Help Desk Topic: "I don't know my student ID," and enter your information to submit a help ticket. Please note, it will require verification of identity. For questions about this process, please email miraadm@sdccd.edu.

I have a CCCApply ID number, is this my college ID number?

No, in order to receive a 10-digit college ID, you must complete the Miramar College application. If you have a CCCApply ID it means you created a CCCApply account and it looks something like "BW12345".

When will I receive my college ID number?

Students should receive their college ID number within 24 hours via email after completing the college application. Student ID's are 10-digits, no letters, for example, 0001234567 or 5550001234.

Return to the CCCApply login website by [clicking here](#), click sign in, login, and continue to the college application.

*Students can pick up their **physical student ID cards** at the Office of Admissions once they enroll!

How do I submit transcripts to SDCCD?

Students should submit official transcripts from all Colleges and Universities attended. All transcripts and AP/IB scores need to be submitted directly to the district, not the campus.

Please review the [Miramar Evaluations page](#) or the [District transcript page](#) for details on each process.

ENROLLMENT STEPS — FREQUENTLY ASKED QUESTIONS (CONT.)

STEP 1 — Apply (Cont.)

If I apply to Miramar College, can I only take classes at Miramar?

No! Students are allowed to take classes at any of our SDCCD campuses, which include City and Mesa College.

On the college application, what college enrollment status do I select?

"First time college student (after leaving high school)" – if you are still in high school and you are planning to graduate before the college term you applied for or you already graduated but never went to college.

"First time at this college (SDCCD); have attended another college" – if this is your first time at either City, Mesa, and/or Miramar but you attended a different college in the past.

"Returning student to this college after absent for a main term" – if you were previously a college student but were absent from classes during the fall and/or spring semester.

"Enrolling in adult school and authorized to enroll in college at the same time" – enrolled in adult school (like CE High School) or similar GED/Adult HS program and enrolled in college classes at the same time. Haven't earned a HS diploma or equivalent but want to take college classes.

"Enrolling in high school (or a lower grade) and college at the same time" – if you're in CCAP or if you are currently in high school and plan to take college classes at the same time.

ENROLLMENT STEPS — FREQUENTLY ASKED QUESTIONS (CONT.)

STEP 2 — Financial Aid

Do I need to complete both FAFSA & Dream Act applications?

No, you only need to complete one. It depends on your citizenship/residency status.

- You are eligible to complete the FAFSA at fafsa.gov if you are a: U.S Citizen, Permanent Resident, Eligible non-citizen, or T Visa holder.
- You are eligible to complete the CADAA at dream.csac.ca.gov if you are: Undocumented, Have a valid or expired DACA, U Visa holders, or Have Temporary Protected Status (TPS). 🦋

Does Miramar offer scholarships?

Yes! SDCCD offers scholarships on a yearly basis. For more information, visit the [Miramar Scholarship office](#).

How long does it take to process my financial aid application?

Application processing may take 4–6 weeks. If required, you will be notified via email by the Financial Aid Office if additional information is needed, which may delay processing further. For more information and to chat with staff, visit the [Miramar Financial Aid website](#).

STEP 3 — Online Orientation

What is the Online Orientation?

The Online Orientation provides students general information about the programs and resources offered at San Diego Miramar College. It takes approximately 45 minutes to 1-hour to complete. Time varies per student.

How do I receive credit for completing the online orientation?

Complete the survey at the end and receive credit within 72 hours. Please enter your 10-digit college ID, this is not to be confused with a high school ID.

ENROLLMENT STEPS — FREQUENTLY ASKED QUESTIONS (CONT.)

STEP 4 — Student Education Plan (SEP)

What's the purpose of an SEP?

It stands for Student Educational Plan. It's a plan/outline of classes developed with the help of a counselor students should follow based on their educational/professional goal.

It's important to receive this before enrolling so that you register into the appropriate classes & follow the requirements needed for you to transfer, receive your degree/certificate, or accomplish your goal.

I am a new student, how do I schedule a counseling appointment?

Visit the [Counseling Office website](#) and click on New Students. Ensure you have completed all the prior enrollment steps and criteria before scheduling.

Students may experience a “fully booked” notice, in which case, you will need to follow up the following morning or week for open appointments or use the other drop-in features on their page.

When can I request to speak with a counselor?

You can schedule a counseling appointment as soon as you have your 10-digit college ID number. It's best to speak with them sooner rather than later so you can receive an educational plan to know which classes to enroll in and become connected to campus resources.

Is there anything I need to know before my first counseling appointment?

Your counselor is going to ask you some important questions, like the ones listed below. Don't worry if you're undecided, our counselors are there to guide and support you through your process at Miramar.

- Do you know what your major is going to be?
- Are you planning to transfer, and if so, to which school(s)?
- Are you planning to get an Associate Degree, which one?

ENROLLMENT STEPS — FREQUENTLY ASKED QUESTIONS (CONT.)

STEP 5 — mySDCCD Portal

What is the SDCCD Portal?

The SDCCD Portal is the platform where students view their registration date/time, enroll for classes, view payments, and find important deadlines.

Click here to visit the mySDCCD Youtube Channel for mySDCCD Student Help Video Tutorials.

How do I change my password and security questions?

Contact the Help Desk by clicking here for login help.

How do I create a mySDCCD account?

The link to the mySDCCD portal will be sent to the email address you submitted in the college application. If you haven't received an email, check if your application was submitted by contacting the Admissions Office at miraadmesdccd.edu.

Once you have confirmed, enter your information at the mySDCCD account creation page here and follow the steps from this video tutorial.

STEP 6 — Enroll

Where can I find my registration date and time?

You can find your date/time on your mySDCCD portal college student dashboard under "My Classes".

Here is a video tutorial on How to Register for Classes!

I can't sign up for a class because of a prerequisite, how do I know if I fulfilled those requirements?

On the mySDCCD portal, click on the class, under Enrollment Information, there will be a list of prerequisites. If you have fulfilled the requirements, follow the process of clearing prerequisites found on the prerequisite page.

I have a hold on my account, where do I go to find what the hold is?

On your mySDCCD portal, go to the left hand tab, click My Personal Information, then Holds, and see hold details.

For additional hold questions, contact the Admissions Office at miraadmesdccd.edu.

A class is asking for a permission number, where can I find one?

You will need to contact the professor for the course that you are trying to enroll into to obtain one. Click here for Campus Directory. Then follow the instructions found on the mySDCCD help videos here.

EDUCATIONAL PATHS

At Miramar College, we offer over 160 different degrees & specialized certification tracks for our students and aim to create the best environment for each student's career goals.

To understand what's best for your academic goals, we highly recommend scheduling a counseling appointment and/or paying a visit to Career Services.

Check out our list of programs!

Associate's Degrees

Aims to give students the foundational knowledge and technical skill for their chosen field & future employment opportunities. *General education is required for completion of all degree tracks.*

Associate of Arts & Associate of Science

- Minimum of 60 units required
- GPA of 2.0 in major/area of emphasis
- Completion of general education curriculum

Associate Degree for Transfer (ADT)

For students who plan to complete a bachelor's degree at a CSU campus

- Maximum of 60-transferable CSU semester units
- GPA of 2.0 in major/area of emphasis. Higher GPA may be needed to be competitive.
- Completion of a minimum 18 units in major/area of emphasis
- Completion of CSU general education pattern

Transferring

Many of our students complete their lower division courses & GEs and then obtain their Bachelor's degree at 4-year institutions!

If you're interested in transferring, it's never too early to become informed about the transfer process. Connect with a counselor or contact our Transfer center.

Career Education (CE) & Certificates

CE offers students a direct track into their desired career field & provides them with in-field experience.

Certificates enable our students to obtain entry-level positions and return to or move up in specialized career fields. *No general education is required for completion of certificate tracks.*

SUCCESS TIPS FOR COLLEGE

1: Enroll in classes on your given registration date!

Your registration date should be in your mySDCCD portal or emailed to you. Waiting too long could result in fewer classes being available.

2: Pay attention to class details!

When looking for a class to enroll in, some classes are only 8 weeks instead of the full 16, so you want to pay attention and check the date and time it starts. Also make sure you know whether it's online or in-person.

3: Utilize free academic tutoring!

Miramar College, and the other colleges in the SDCCD, offers students free academic tutoring for multiple subjects including math, English and science classes!

4. Join the Student Support Hub

Canvas Shell! Once you add a Miramar class, you will be able to access a Student Support Canvas Shell that provides students easy access to frequently requested information and services.

5: Get engaged!

In the campus and in your class! There are so many campus events that happen throughout the semesters! These event are full of helpful and useful information to help you succeed as a student, make friends, and stay involved on campus!

6: Utilize free mental health care!

Sometimes the course load, life and work can be draining. That is why we offer free mental health resources and services! Reach out for support and help! Add their Mental Health Canvas page to your Canvas Dashboard.

7: Be aware of all deadlines for the semester!

Deadlines are very important to be up to date with. Utilize a planner or reminder system. Being aware of these deadlines could help you avoid stress. Review dates & deadlines here.

8: Transferring starts day 1!

If you are looking to transfer to a 4-year institution, it's never too early to meet with a counselor to discuss the process. To access services and receive important announcements add the Transfer Canvas page to your Canvas Dashboard.

9: Don't be afraid to be your authentic self!

In college you are able to be who you set out to be, and work towards becoming the person you want to see in this world. You're on a journey other people dream about, do your best to be your best and that's all anybody is asking for. Get out of your comfort zone because it's time to walk your own path!

How to pay for college

● GET INVOLVED

Associated Student Government (ASG)

ASG is the voice for topics and issues affecting the student body on campus. This group serves as the student representation in events, committees, and other activities.

Become a part of ASG & make a change!

Athletics

By joining a sport, students have the opportunity to play competitively and represent the campus. As SDCCD students, they are able to practice a sport in any of the sister colleges (Mesa, City, and Miramar). Moreover, they can continue building on their skills which can take them beyond their time at Miramar.

Connect with a coach & learn more!

Student Clubs & Organizations

Whether a student would like to improve their leadership skills, or meet peers that share common interests, student clubs and organizations are a great way to become connected to the campus community.

Consider joining or starting one of your own!

Student Employment

An advantage to having a job through the college is the flexibility because these positions very often are mindful of the student and work life balance. There are several offices and departments that may have openings.

A good resource to connect with is Career Services. Become part of their online job board and/or become informed about other job opportunities on campus.
