If the group feels that they want to bring the resolution up to the entire body, they can come back to that resolution when we re-group. Went over the questions that the groups should consider when voting for the resolutions. Shared the QR code for the digital resolution packet and shared the link to the spreadsheet to record the voting on Discord. Divided groups based on the areas they're interested in.
- b. Tabletop Club Rep motioned to extend the time for this item by 5 mins. Seconded by Treasurer Michael.
- c. President Ariella asked the groups how many resolutions they have left. Also asked for how many resolutions need to be brought to the entire body so that we can allocate enough time on next week's agenda.
- d. Senate Rep Jind clarified the Honors Contract resolution upon a request from one of the groups.
- e. Sen Thomas - would honors contract be offered for summer courses? Jind - the resolution pushes for there to be an honors contract in all classes, meaning that summer should count
- f. Sen Jenish - what about special math classes? Jind - as long as you're able to transfer it to a UC or CSU, it should fall under this resolution
- g. Treasurer Michael motioned to reduce committee meeting times by 10 minutes. Seconded by Sen Kshitij.

- Attended the district board meeting with President Ariella. Found out that Miramar is the main EMT school. We have EMT courses with a passing rate

of 84%.

- Spoke with committees about adjusting their budgets. Found out from Accounting that ASG used to do scholarships in the past, and having scholarships encourages members to buy ASG membership. There has been a drop in the number of people paying the \$8 ASG fee (250 → 50 people)

f. Senate Representative

- Shared that there will be a senator debrief after the meeting.

#### **B. Region X Reports**

#### **C. Senator Reports**

- a. Sen Mekael - heard back from 24 Hour Fitness representatives, and they said that they are willing to provide a 30-35% student discount to Miramar students.

#### **D. ASG Committee Reports**

a. Future Events

- Approved up to \$600 for game truck for Earchella and \$2000 for food

b. Student Life & Wellness

- Discussed finalizing decor order for Study Jam and future collaboration with future events for Eat with us

c. Governance

- Reminded everyone that they can view constitution changes in the revised document that's been shared on Discord.
- Secretary Anchal came to them with a request to amend the Vending 5000 bylaw. Only 2 clubs currently qualify with the current eligibility requirements. The committee spent the meeting discussing giving more leeway to clubs, especially for revitalizing and new clubs. Want to work on getting an amendment ready by next week. If there are any suggestions, please reach out. The current proposal is that, rather than missing 2 meetings, clubs can miss 4 meetings, which allows 7 clubs to qualify.

### **VIII. COMMUNICATIONS ON THE FLOOR**
