

Cultural Fusion Celebration

HONORING BLACK & LATINA WOMEN THROUGH CULTURE

Join the **Black Resource Center (BRC)** and **Latinx Resource Center** for a **Women's History Month** celebration honoring the strength, resilience, and cultural impact of Black and Latina women.

Through storytelling, reflection, music, and community dialogue, we'll explore identity, shared histories, and the power of intersectionality. Together, we celebrate the women who paved the way and those continuing to lead and inspire today.

Come connect, reflect, and celebrate!
Light food will be provided - first come, first serve!
