Co-chairs: Jerry Buckley and Buran Haidar

AGENDA

1. Call to order
2. Approval of agenda
3. Old Business
 - a. Discussion and recommendation for the college mission, vision and values statements
4. Adjournment

***Strategic
Goals**

5.4

****San Diego Miramar College 2007–2013 Strategic Goal 5: Refine the college's integrated planning process.***

5.1 Improve and strengthen the integrated college planning process driven by the college's Strategic Plan. This efficient and accountable process facilitates transparent college wide planning, budgeting and resource allocation.

5.2 Develop a process for evaluating and responding to alternate sources of funding.

5.3 Strengthen coordination with the District to maintain equitable, courteous and quality service delivery to students, especially during state and local budget crises, and preparedness for unexpected catastrophic events.

5.4 Continue to refine the college participatory governance structure processes and activities to align with the formalized integrated college planning process.

Version #1 - Current 2011-2012 Mission Statement:

San Diego Miramar College

Mission

Our mission is to prepare students to succeed in a changing world within an environment that values excellence in learning, teaching, innovation and diversity.

Values

- Student access, learning and success for students from basic skills through college level
- The preparation of students for degrees, jobs, careers and transfer, as well as personal growth and career advancement
- The ability to recognize and respond to opportunities
- A collegiate college community with mutual respect, courtesy and appreciation
- Accomplishments of individuals, groups and the college as a whole
- Diversity of our students, staff, faculty and programs
- Creativity and excellence in teaching, learning and service
- Collaboration and partnerships
- Shared governance and communication
- Sustainable practices in construction, curriculum and campus culture
- Quality, flexibility, and innovation

Vision

- Student learning and success will be the focus of all we do.
 - San Diego Miramar College will develop as a college that identifies student access, learning and success as the touchstone to guide planning, set priorities and measure effectiveness.
 - Miramar College will have an inviting and accessible campus that attracts students.
 - Miramar College will be a hub of education, diversity, recreation and services to the community.
-

Version #2 - Proposed 2012-2013 Revisions

Mission

San Diego Miramar College's mission is to prepare students to succeed in a dynamic and changing world. Our College provides quality instruction and services in an environment that supports diversity, emphasizing innovative programs and partnerships to support transfer preparation, workforce training, and career advancement.

Vision

San Diego Miramar College will be a hub of education, diversity, and services to our community.

San Diego Miramar College, in keeping with this vision, supports and emphasizes the following guiding values:

- *Access, learning and success of all students*
- *A collegiate college community that offers civility, mutual respect, courtesy, appreciation, and accountability*
- *Accomplishments of individuals, groups and the college as a whole*
- *Diversity of our students, staff, faculty and programs that reflect our community*
- *Creativity, innovation, flexibility and excellence in teaching, learning and service*
- *The ability to recognize and respond to opportunities*
- *Collaboration and partnerships*
- *Participatory governance and communication*
- *Sustainable practices in construction, curriculum and campus culture*

San Diego Miramar College's core institutional student learning competencies are:

- **Communication** - Students will communicate effectively through reading, writing, speaking, and listening.
- **Critical Thinking and Problem Solving** - Students will use appropriate creative thinking, decision making and problem-solving approaches, reasoning, analyses of numerical data, and learning strategies.
- **Global Environment** - Students will understand the physical, social, political, and cultural environments in which they live, including sensitivity to diversity, cultural differences, and community needs.
- **Information Management** - Students will demonstrate technological literacy and effective information collection and analysis.
- **Personal and Professional Abilities** - Students will manage change, personal responsibilities, and their own wellness, as well as demonstrate teamwork and relationship maintenance, conflict resolution, and workplace skills.

Version #3 – Proposed 2012-2013 Revisions

Mission

San Diego Miramar College's mission is to prepare students for employment or transfer to a baccalaureate-level institution.

Vision

The college will provide quality instruction and services in an environment that supports diversity, collegiality, and innovation in programs and community partnerships. Miramar graduates will leave the college prepared for their career or educational goals, for citizenship in the broader community, and for their own future personal development.

San Diego Miramar College, in keeping with this vision, supports and emphasizes the following guiding values:

- *Access, learning and success of all students*
- *Civility, mutual respect, courtesy, appreciation, and accountability*
- *Accomplishments of the college community*
- *Diversity of our students, staff, faculty and programs that reflects our community*
- *Creativity, innovation, flexibility and excellence in teaching, learning and service*
- *Recognition of and response to opportunities*
- *Collaboration and partnerships*
- *Participatory governance and communication*
- *Sustainable practices in construction, curriculum and campus culture*

San Diego Miramar College's core institutional student learning competencies are:

- **Communication** - Students will communicate effectively through reading, writing, speaking, and listening.
- **Critical Thinking and Problem Solving** - Students will use appropriate creative thinking, decision making and problem-solving approaches, reasoning, analyses of numerical data, and learning strategies.
- **Global Environment** - Students will understand the physical, social, political, and cultural environments in which they live, including sensitivity to diversity, cultural differences, and community needs.
- **Information Management** - Students will demonstrate technological literacy and effective information collection and analysis.
- **Personal and Professional Abilities** - Students will manage change, personal responsibilities, and their own wellness, as well as demonstrate teamwork and relationship maintenance, conflict resolution, and workplace skills.
