G. Reports

1. **Jerry Buckley, VPI:**

J. Buckley reported attendance of the VPI/VPSS Joint meeting on repeatability. A list of subject “families” has been created at the District. There is concern that there may be an impact in the PHYE and Performing Arts areas that will result in lost FTES.

There was a discussion of the possibility of moving Math 034A to SDCCD Continuing Education (CE). CE is willing to take the course, but will need FTES to cover the cost of the course. This item is still under discussion.
