

Completion

**Tracking Students After Program
Completion**

Six Factors of Student Success

Source: Student Support Redefined

Student Perspective

- ▶ Directed
- ▶ Focused
- ▶ Nurtured
- ▶ Connected
- ▶ Valued

1. Directed: Students have a goal and know how to achieve it

2. Focused: Students stay on track, keeping their eyes on the prize

3. Nurtured: Students feel somebody wants and helps them to succeed

4. Engaged: Students actively participate in class and extracurricular activities

5. Connected: Students feel like they are part of the college community

6. Valued: Students' skills, talents, abilities, and experiences are recognized; they have opportunities to contribute on campus and feel their contributions are appreciated

Post Program Completion

- ▶ Do they have the “soft skills” necessary for success?
- ▶ Career Center
 - ▶ Coming soon....
- ▶ Career Opportunities
- ▶ Is it the right fit?
 - ▶ Do they feel prepared?
 - ▶ Did the employer get the employee they expected?
 - ▶ How did the student do on the interview? Resume?
 - ▶ If not, where could we improve?
 - ▶ If so, do they need more employees?

How to get the DATA

- ▶ Google forms- Surveys
 - ▶ Employer survey
 - ▶ Student survey

Miramar College Diesel Technology Survey

In an effort to better facilitate a beneficial connection between education and the needs of the current business workforce, we are asking that you take a minute to complete the following survey regarding your needs in the labor market. The information will be used to modify curriculum for the Miramar College Diesel Technology Program and to promote the program to students, business and the community.

First Name

Short answer text

Last Name

Short answer text

How many diesel technical related personnel does your company currently employ?

Short answer text

Do you currently have a need for additional trained Diesel technical related personnel?

- ☐ Yes
- ☐ No
- ☐ Other...

...

Have you or your company experienced any difficulties in locating trained diesel technicians and related personnel to employ?

- ☐ Yes
- ☐ No
- ☐ Other...

Preview

Do diesel related personnel have an opportunity for advancement with your company?

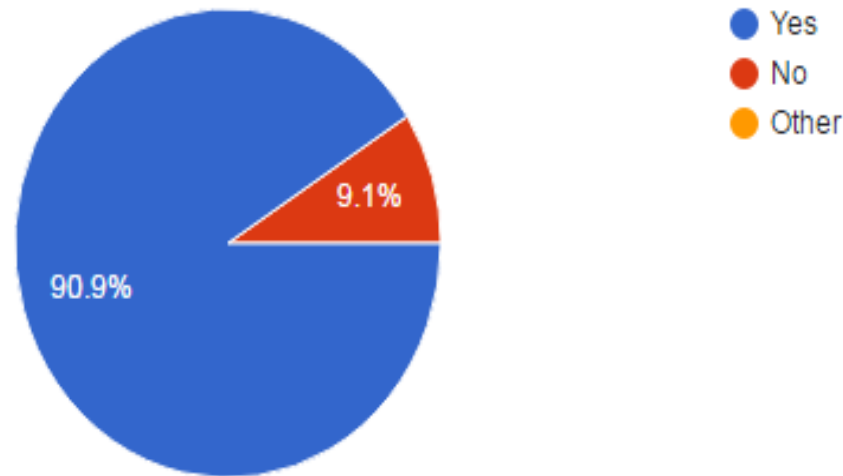

- ☐ Yes
- ☐ No
- ☐ Not Sure

Would you or your company be interested in participating in workplace learning opportunities such as: internships, job shadows, classroom speaker or Skills USA diesel competitions?

- ☐ Yes
- ☐ No
- ☐ Maybe

Do you currently have a need for additional trained Diesel technical related personnel?

(11 responses)

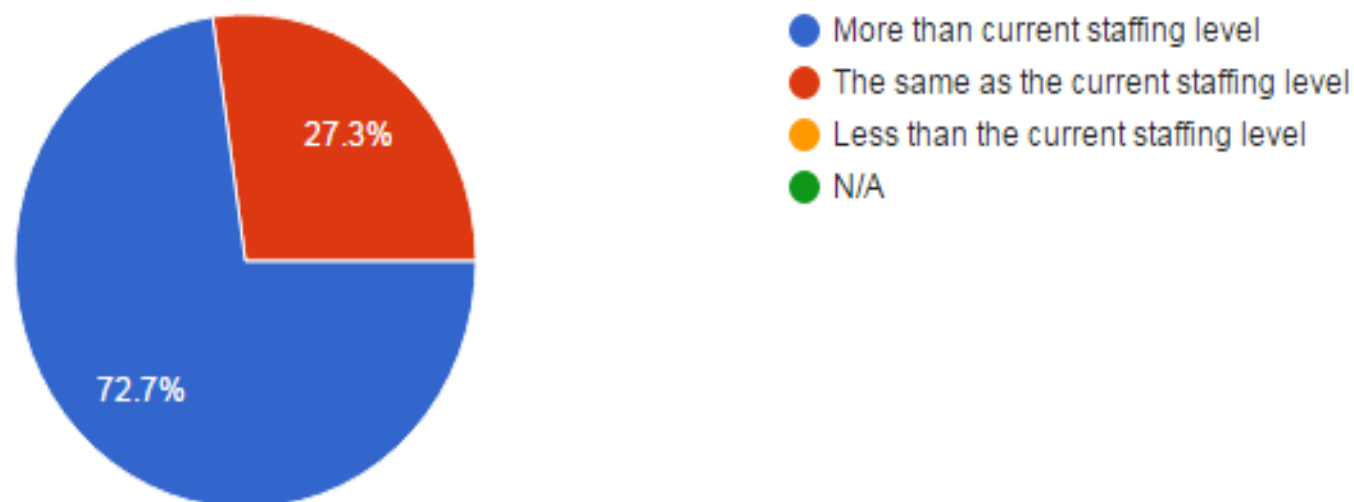

Have you or your company experienced any difficulties in locating trained diesel technicians and related personnel to employ?

(11 responses)

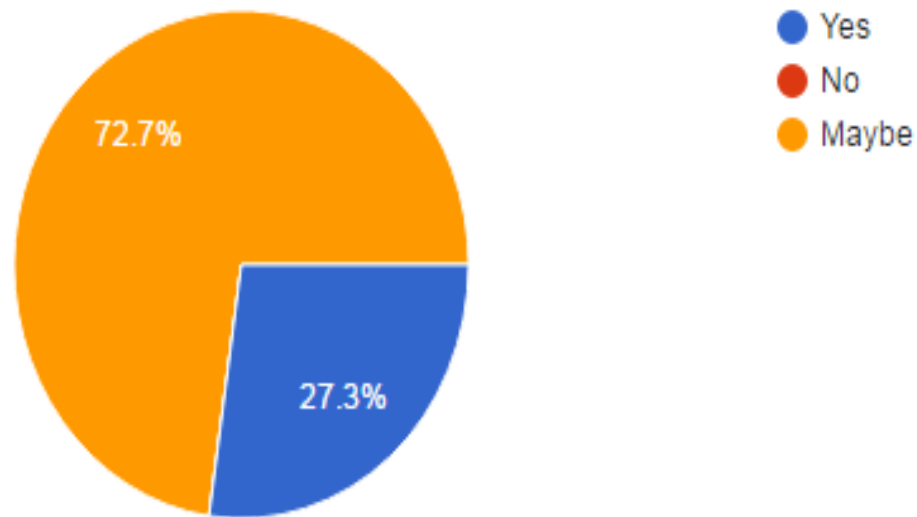

What are your projected diesel technical personal staffing needs in the next five years

(11 responses)

Would you or your company be interested in participating in workplace learning opportunities such as: internships, job shadows, classroom speaker or Skills USA diesel competitions?

Take a look at the comments after the article. Flat rate pay plans are a double edged sword.

<http://automotivecents.com/2015/06/15/technician-engagement/>

Technician Engagement and Flat Rate Pay – Polar Opposites

This seems to be the new buzzword lately – engagement. And from the time I have spent working in this area I can honestly say I agree...
