

PCAPPA Student Scholarship

PCAPPA is offering a student scholarship to attend the annual PCAPPA conference held in Spokane, Washington, September 30 to October 3, 2018.

We are looking for full-time students at a 2 or 4 year college/university with interests in Facilities, Construction, Energy Management, or similar course of study with the intent to stimulate interest in the higher education facilities industry.

The student scholarship will pay all travel related expenses, including hotel, airfare, ground transportation, food, and parking up to \$2,500.

The recipient must provide receipts, participate in the entire conference, and attend the PCAPPA banquet held at the conference.

All application packets will be evaluated by the PCAPPA Scholarship Committee with award winner recommended to the PCAPPA board.

The committee will be assessing each individual applicant using the following criteria:

- Reason or compelling interest in conference
- Classes and course work attended
- Career objectives
- Relative work experience

Please submit a letter of interest and resume by **August 24, 2018**. Interested applicants should fill out all necessary documents and submit to Eric Johnson at egjohnso@usc.edu. Questions and inquiries can also be sent to the same email.
