

CREATING A TRAVEL AUTHORIZATION

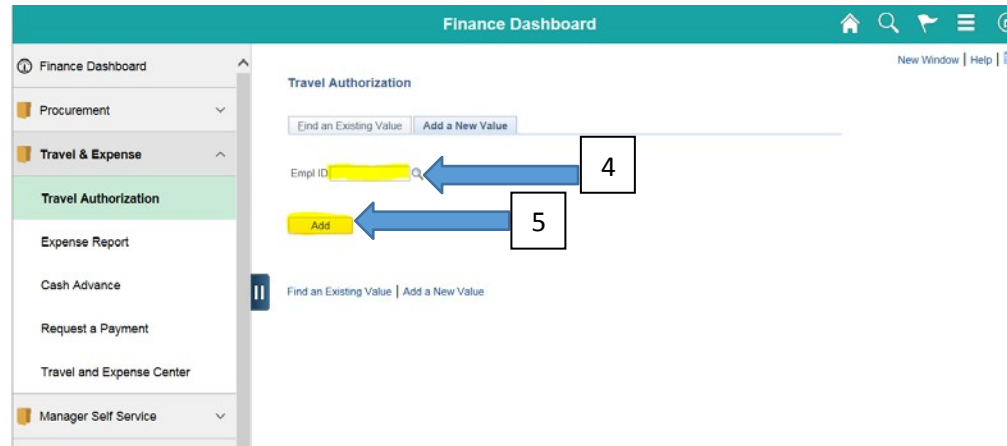

Log into PeopleSoft at myportal.sdccd.edu using your 10 digit Employee ID number as your User ID & password that you set up. NOTE: This is not the same as your computer login information.

Navigate to the Travel Authorization screen from the home page by selecting: Finance Dashboard/Travel & Expense/Travel Authorization

Be sure that the “Add a New Value” tab is highlighted. Enter your 10-digit Employee ID. NOTE: If you are inputting travel as a delegate for another person, be sure that the ID # in the Employee ID field is the ID # of the traveler. Then click “Add” button to create a Travel Authorization. *

Select the appropriate “Business Purpose”. Put Conference Name into the “Description” field. Enter the travel dates - “Date From” & “Date To”.

Expense Types:

- | | | | |
|----------------|--|---|---------------------------------|
| Air Travel | Rental Car | Automobile Mileage (Use of personal vehicle) | Miscellaneous (such as): |
| Conference Fee | Gasoline (for Rental car) | Meals and Incidentals (not included at Conference) | - Parking Fees (Airport/Hotel) |
| Hotel/Lodging | Internet Charges (for College Business only) | Maximum per diem rate is \$46.00 | - Shuttle/Taxi/Uber/Lyft |
| | | \$10 for Breakfast; \$15 for lunch; and \$21 for Dinner | - Supplies Needed |

Payment types:

- **Employee paid:** means you will pay the expense out of pocket using your own means such as a personal credit card, check or cash and get reimbursed after you return from travel.
- **Prepaid:** is an option for hotel, conference and/or airfare only. You will have to “Request a Payment” to have these expenses paid directly by the district. Since it takes about 2 weeks to generate a payment of this type, be sure to submit your TA needs at least 3-4 weeks prior to your travel date to ensure timely payment to supplier. Steps to create a Request for Payment are located beginning on page 9.

Begin entering your projected expenses by selecting first date of the conference, the appropriate expense type, a short description of the expense type, and appropriate payment type (employee paid or prepaid – See below) and amount*. Then click on Accounting Details to enter the budget number. Type in the Fund, Department and Product.
