

IGETC 2020-2021 Intersegmental General Education Transfer Curriculum (IGETC)

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education pattern that fulfills all lower-division general education requirements at all California State University (CSU) campuses and most University of California (UC) campuses/majors. It is also accepted by some private/independent or out of state universities. IGETC is usually recommended for students who intend to transfer to a UC campus, or who are not yet sure of their intended transfer university. Completion of the IGETC pattern is not an admission requirement for transfer to most UC or CSU campuses, nor is it the only way to fulfill the lower division GE requirements of a UC or CSU campus prior to transfer.

GENERAL EDUCATION CERTIFICATION: General Education Certification is a legal agreement between the UC or CSU systems and the California Community Colleges that permits a student to transfer from a community college to a UC or CSU campus without the need to complete additional lower division general education courses to satisfy university GE requirements after transfer. Full or partial certification of IGETC is available. Please see a counselor for details.

- IGETC certification is requested at the last community college attended prior to transfer after the student has been accepted to a transfer university. Official transcripts from all other accredited institutions attended must be on file and will be reviewed for inclusion in the certification process.
- All courses must be passed with a "C" or higher. "C-" is not acceptable.
- Students who complete the full IGETC pattern have fulfilled the requirements for a Miramar College Certificate of Achievement in Intersegmental General Education Transfer (IGETC).

IGETC may not be appropriate for some majors or schools at the UC. See the college catalog or the following website for details: <http://admission.universityofcalifornia.edu/transfer/general-education-igetc/igetc/igetc-campus-guidance/index.html>

Acceptable scores on the Advanced Placement (AP) and International Baccalaureate (IB) exams may fulfill some IGETC subject areas. Consult the college catalog and a counselor for details.

KEY: C = Units Completed; IP = Units In Progress; R = Units Remaining; * Course is listed in more than one area but cannot be certified in more than one area; + Transfer credit may be limited by either CSU or UC, or both (please consult with a counselor for further information); *Italics* = Course is offered at San Diego City or Mesa College (not Miramar College.)
