

# Guided Pathways

Weekly Update

We will return to normal,  
...just not yet.  
**Be safe everyone!**

This is

**Students** come to Miramar to fulfill their academic career and personal goals

ALL of us have a role in our students' journeys

So, we need to work together to support and prepare our students

- We can provide access to clear pathways for academic, lifelong and career goals
- We can identify and promote comprehensive services to support student success
- We can assure student learning by leveraging data to drive culturally responsive pedagogy

Get involved!

Your voice matters!

## Team Activities

The GPS team met on Monday, March 9 and prepared for the planning summit We also discussed our objectives and deliverables for this first year.

The GPS team met via ZOOM Monday March 16, and strategized for our campus closure. We also created our, "Elevator" speech.

## Our Biggest News

**The Planning Summit was postponed:** The March 13 Planning Summit focused on GPS, and will now be postponed for a later date. Please attend when announced.
